THE NORTH AMERICAN says that all Wanamaker meetings ought to be opened with that rallying chorus: "And he whistled the same old tune."

JOSEPH FARABAUGH has purchased the Carrolltown News and stepped into the editorial harness last week. Mr. Farabaugh is a competent man and no doubt will make that paper a prosperous one in the future.

NEW SUBSCRIBERS are being continually added to the already large COURIER list, which news will be of interest to our many advertisers.

SUMMERS M. JACK, of Indiana, Pa., has been nominated for Congress on the Republican ticket in the Twenty-first district, comprising Indiana, Westmoreland, Jefferson and Armstrong counties.

IT'S A WONDER JOHN Money-maker doesn't come out "flat-footed" and declare that he has left the Republican party and announce whether he is a Demobilist or a sore head.

ALTHOUGH you have a perfect right to get your job printing done wherever you feel disposed we wish to state that before going elsewhere call and get our prices and see samples of stock and styles of work.

PROBABLY the Navy has fought its last war with black powder. Bids were opened Saturday at the Navy Department for supplying the warships with one million pounds of smokeless powder—a quantity sufficient to supply at least the secondary batteries of all the ships in the service.

TO VOTE AT MANILA. The Governor has appointed ex-Senator Samuel S. Steel, of Allegheny county, a veteran of the civil war, to go to Honolulu and Manila as a commissioner to take the vote of the Tenth Regiment boys.

It will be the first time that the votes of citizens of the Republic have been taken on foreign soil, if soil over which the flag now floats may be termed for-

sign. And peculiar interest most centre around an election for a Governor of one of the states and other officials held in far-off Hawaii and the still-further-off Philippine Islands.

A Common Danger. If you have ever had a cold which you permitted to "wear away" it may interest you to know that it was a dangerous proceeding.

Important Notice. If any of your family should be attacked with a sudden cough or cold, don't fail to try a bottle of Gray's Balsam, the great guaranteed cough cure.

AN INDIAN BOY'S PONY. An Account of His First Attempt to Ride It as a Buffalo Hunt.

This led by those dedicated to religious service, the tribe leaves its village, the people by families dropping into line—men, well mounted, bearing their weapons ready for use; women, in gala dress, riding their decorated ponies, older ones leading the pack horses; lit-

Here and there along the line of the cavalcade is a lad being initiated into individual responsibility. He has been upon the hunt before, as one of the family, but this is the first step toward going independently uncajoed for as child. The father has lassoed a wild horse, saddled and bridled him and now bids his son mount the animal.

At a London club there is the most unique pair of curtains in existence. This portiere is formed of hundreds of champagne corks, taken from every known brand of champagne, each of which bears the tin top which adorned it when the cork was in its parent bottle.

Nothing Plebeian About It. She was an honored member of one of the hereditary societies and was astonished to learn that she was accused of wire pulling in connection with an election of officers.

Wire pulling? she exclaimed. "Such an insult! Why, it is common, positively common. People do that in politics."

We, the undersigned, do hereby agree to refund the money on two 25-cent bottles of Baxter's Mandrake Bitters, if it fails to cure constipation, biliousness, sick headache, or any of the diseases for which it is recommended.

Cool soda water and refreshing root beer on tap at C. W. Hodgkins, Patton Pharmacy.

For 40 years I suffered from sick headache. About a year ago I began using Celery King. The result was gratifying and surprising, my headaches leaving at once.

A CRITICAL TIME

During the Battle of Santiago. SICK OR WELL, A RUSH NIGHT AND DAY.

The Packers at the Battle of Santiago de Cuba were all heroes. Their Heroic Efforts in Getting Ammunition and Rations to the Front Saved the Day.

P. E. Butler, of pack-train, No. 3, writing from Santiago, De Cuba, on July 23d, says: "We all had diarrhoea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations."

The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by Patton Pharmacy, C. W. Hodgkins.
