W. A. OSBORNE, of DuBois, was nominated for Senator by the Republicans of the 34th district Tuesday.

THE CAMBRIA FREEMAN contained an article in its last issue credited with the "Clearfield Public Opinion." Wonder if Matt has changed the name of his paper from the "Ghost" to the "Opinion."

THE EBERSBURG Mountaineer-Herald and the Cambria Tribune are at loggerheads and are amusing their readers by saying "real naughty" things about each other. Wonder which one is going to give us a rest first?

HON. W. C. ARNOLD, of DuBois, was renominated from the Twenty-eighth Congressional District and Major J. Z. Brown, of Clarion, was nominated from the Thirty-eighth Senatorial District at the Republican conferences held at Ridgway Thursday evening.

IN SPEAKING of the nomination of Joseph E. Thropp, the Philadelphia Press of Friday September 23d, says that the defeat of Congress Josiah D. Hicks in the Twenty-ninth district followed naturally the exposure in the Press of his scandalous connection with post-office sales.

Are Your Nerves Weak? If they are your blood is out of order. You need a nerve remedy and blood cleanser. Barr's Celery Sarsaparilla gives the best results and has more real cures to its credit than any remedy known.

General Greeley's Rescue by Schley.

Admiral Schley won the nation's applause some 18 years ago, when, as a Captain in the United States Navy, he led a relief party successfully to the rescue of General A. W. Greely and the few survivors of his band of Arctic explorers. General Greeley has at last consented to tell the story of his terrible winter in the frozen North, and his article appears in the October Ladies Home Journal. It is a remarkable paper, valuable, besides being a record of the Arctic's darkest tragedy, in showing the heroism and abiding faith of American soldiers when brought face to face with death.
