REGARDLESS OF AGE.

The kidneys are responsible for more sickness, suffering, and death than any other organs of the body.

A majority of the ills afflicting people to-day is traceable to kidney trouble. It prevades all classes of society, in all climates, regardless of age, sex or condition.

The symptoms of kidney trouble are unmistakable, such as rheumatism, neuralgia, sleeplessness, pain or dull ache in the back, a desire to urinate often day or night, profuse or scanty supply.

Uric acid, or brick dust deposit in urine are signs of clogged kidneys, causing poisoned and germ-filled blood. Sometimes the heart acts badly, and tube (wasting of the kidneys) are found in the urine, which if neglected will result in Bright's Disease, the most dangerous form of kidney trouble.

All these symptoms and conditions are promptly removed under the influence of Dr. Kilmer's Swamp-Root. It has a world-wide reputation for its wonderful cures of the most distressing cases.

No one need be long without it as it is so easy to get at any drug store at fifty cents or one dollar. You can have a sample bottle of this wonderful discovery, Swamp-Root, and a book telling all about it, both sent to you absolutely free by mail. Send your address to Dr. Kilmer & Co., Binghamton, N. Y. and kindly mention that you read this liberal offer in the PATTON COURIER.

How to Prevent Pneumonia.

You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's cough Remedy was used. It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Every bottle warranted.
