

A GREAT CONFLICT!

A fierce battle is now raging in Patton and vicinity between high prices and the extremely low prices of the

Bankrupt Clothing Store.

We have met the enemy and they are ours; we have, as it were, got them on the run.

Reinforcements in the way of all sorts of low prices and inducements offered by them are apparently of no avail, because the large amount of Good Clothing and Gents Furnishing Goods we are selling clearly demonstrates that

WE ARE THE PEOPLE'S CHOICE.

What caused this so-called sudden reduction on Clothing and furnishing goods? Is it because the Bankrupt Clothing Store is here? Why did not these prices prevail before? Was it because the Bankrupt Clothing Store was not here?

Now since we are here and they want to freeze us out, we propose to make it exceedingly warm for them by giving the people of Patton and vicinity the greatest bargains in Clothing and Gents Furnishing Goods ever heard of before. We herewith numerate a few of our great bargains, but before we proceed we wish to call your particular attention to the fact that we handle nothing but the best grades of Wool Suits and Overcoats, Etc. This accounts for the absence of Men's suits and overcoats at \$1.50; this grade of goods being manufactured by prison labor, we positively refuse to handle it.
