

"Evil Dispositions Are Early Shown."

Just so evil in the blood
comes out in shape of scrofula,
pimples, etc., in children
and young people. Taken in
time it can be eradicated by
using Hood's Sarsaparilla.
In older people, the aftermath
of irregular living shows it-
self in bilious conditions, a
heavy head, a foul mouth,
a general bad feeling.

It is the blood, the impure blood,
friends, which is the real cause. Purify
that with Hood's Sarsaparilla and
happiness will reign in your family.
Blood Poison—I lived in a bed of fire
for years owing to blood poisoning that
followed small pox. It broke out all over
my body, itching intensely. Tried doctors and
hospitals in vain. I tried Hood's Sarsaparilla.
It helped. I kept at it and was en-
tirely cured. I could go on the horse-
back and about about H. Mas, J. T. Williams,
Carbondale, Pa.

Scrofula Sores—My baby at two
months had scrofula sores on cheeks
and arms. Local applications and physicians'
medicine did little or no good. Hood's Sarsaparilla
cured him permanently. He is
now happy with smooth fair skin." Mrs.
S. W. HORTON, Farmington, Del.

Pretty Underwear—The variety of pretty silk and woolen
underwear to be had at such reason-
able prices, is very tempting to dainty
women, yet many refrain from pur-
chasing such on account of their lia-
bility to injure in laundering. If the
work is perfectly done this trouble
may be avoided. When ready to begin
fill a tub half full of warm water,
in which dissolve a fourth of a bar of
Ivory Soap, and wash the articles
thoroughly in the same. Then, in warm
water, and squeeze, but do not
wring. Hang on the line and press
white still damp.

stant smoker. He is rarely seen with-
out a cigar or pipe.

Beauty is Blood Deep—Clean
blood means a clean skin. No
beauty without it. Cascarets, Candy Cathar-
tic clean your blood and keep it clean, by
stimulating the liver and driving all im-
purities from the body. Begin to-day to
banish pimples, boils, blotches, blackheads,
and that scaly, blotchy complexion by using
Cascarets—beauty for ten cents. All drug-
stores, satisfaction guaranteed, 10c, 25c, 50c.

Always the same.

Somebody has unearthed a book
written by Bartholemew Angelica,
about 1250, of which one of the most
amusing chapters is on the children of
his day.

They dread no perils more than
beating with a rod (he writes), and
they love an apple more than gold,
and make more sorrow and woe for
the loss of an apple than for the loss
of a heritage.

They desire all that they see, and
pray and ask with voice and with
hand. They keep no counsel, but they
tell all that they hear and see. Sud-
denly they laugh, and suddenly they
weep. Always they cry and jangle;
that is, unless they are still while they
sleep.

When they were washed, as on they
make themselves unclean again. When
their mother washeth and combeth
them, they kick and sprawl, and put
with feet and hands, and withstand
with all their might.

All of which makes it appear that
these 1250 youngsters were the same
then as now.

The fower of the family is usually
the last to rise.

[LETTER TO MR. PINKHAM, W. 3623]

"Two years ago I was a great
sufferer from womb trouble and pro-
fuse flowing each month, and tumors
would form in the womb.

I had four
tumors in
two years. I
went through
treatments
with doctors,
but they did
me no good, and I thought I would
have to resort to morphine.

"The doctor said that all that could
help me was to have an operation and
have the womb removed, but I had
heard of Mrs. Pinkham's medicine and
decided to try it, and wrote for her
advice, and after taking her Vegetable
Compound the tumors were expelled
and I began to get stronger right
along, and am as well as ever before.

Can truly say that I would never had
gotten well had it not been for Lydia E.
Pinkham's Compound."—MRS. A.
STRAHL, WATSONVILLE, PA.

What Mrs. Pinkham's Letter Did.

"DEAR Mrs. PINKHAM—After follow-
ing the directions given in your kind
letter for the treatment of leucorrhoea,
I can say that I have been entirely
cured by the use of Lydia E. Pinkham's
remedies, and will gladly recommend
them to my friends.

"Thanking you for your kindness, I
am gratefully yours, A. B. DAVIDS,
BINGHAMTON, N. Y."

FIFTY-FIFTH CONGRESS.

SEVENTY-FIRST DAY.

The Nicaragua canal bill was offered
in the house Tuesday afternoon as an
amendment to the sundry civil appro-
priation bill by Mr. Hendon of Iowa,
chairman of the committee that re-
ported it, and the leaders on the re-
spective sides are engaged in a de-
perate struggle which involves the fate
of the measure at this session of con-
gress. Mr. Cannon, chairman of the
committee on appropriations, served
notice last week that there was no
time for the consideration of the
canal bill at this session, the support-
ers of the measure determined to force
it on to the sundry civil bill as a rider
provision.

SEVENTY-SECOND DAY.

The house Wednesday settled the
fate of the Nicaragua canal bill in this
congress by refusing to override the
decision of the chair in committee of
the whole, when the chair held that
the canal bill offered as an amendment
by Mr. Hendon was out of order.

The friends of the Nicaragua bill
were very confident that they would
triumph, but after four hours of de-
bate the chair was sustained, 121-
128.

Mr. Bailey, the Democratic leader,
made an argument in favor of the view
that the amendment was in order. Mr.
Cannon bore the brunt of the argu-
ment in behalf of this contention.

Messrs. Moody, Dockery and Fleming
were pitted against him.

The reading of the sundry civil bill
was then continued. The appropri-
ation for the deep-waterway commis-
sion was increased from \$20,000 to \$30-
000 on motion of the appropriations
committee.

SEVENTY-FOURTH DAY.

During the consideration of the sun-
dry civil bill in the House Thursday
the passage of the Nicaragua canal
bill was made a point of order
under rule 21 made by Mr. Wheeler,
a Kentucky Democrat, who declared
that he opposed the appropriation on
principle and would resist to the
technicality to defeat it.

Consideration was begun of the post-
office appropriation bill. The only
clause was the committee amendment
providing \$11,235 for special mail
facilities on the trunk lines from New
York and Washington to Atlanta and
New Orleans, and \$5,000 from Kansas
City to Newton, Kan. Mr. Westcott
(Rep., Cal.) opposed the appropri-
ation, declaring that they indicated
only the influence certain railroads
had over Congress. Mr. Quay
in charge of the bill, said that the same
old straw had been threshed as had
been threshed for years. He strongly
defended the appropriation.

The amendments were agreed to 43 to 10.

SEVENTY-FIFTH DAY.

The House Friday passed the sun-
dry civil appropriation bill with im-
portant amendments. The speaker's re-
solutions upon the motion to recommit
the bill with instructions to incorporate
in the Nicaragua canal amendment was
sustained—153 to 146. The canal ap-
propriation bill was taken up and over
half completed. There was no general
opposition to the measure, although it
carries \$14,168,895, \$8,485,546 more than
the largest canal appropriation bill ever
passed by Congress, but \$2,765,000
less than the estimate.

SEVENTY-SIXTH DAY.

The House Saturday spent two
hours upon the Naval Appropriation
bill without making any progress, and
devoted the remainder of the session
to eulogies upon the life and public
services of the late Representative
Northway, of Ohio.

SEVENTY SEVEN DAY.

At no time during the session of the
Senate Monday was a quorum of the
body present, a majority of the mem-
bers being absent at their homes.

For the first time in many years no in-
vocation was pronounced at the open-
ing of the session, neither the regular
chaplain nor any other minister being
able to reach the capital.

A sharp debate over the unanimous
consent agreement reached Saturday
afternoon to vote on the McNary resolu-
tion Tuesday afternoon was pro-
digated early in the session. Some
feeling was manifested by senators
who object to the adoption of the resolu-
tion but none of them indicated what
might be their action. In connection
with the consideration of the resolu-
tion the senate decided to meet at 11
o'clock Tuesday morning.

A bill removing the disabilities of
certain persons in the civil war was
passed.

SEVENTY-EIGHT DAY.

The unanimous consent agreement
reached by the senate last Saturday
to vote Tuesday afternoon on the resolu-
tion of Mr. McNary declaring a
policy of this government in the Phil-
ippines, was not vacated. In accord-
ance with that agreement the vote was
taken on the resolution at 2:30 Tues-
day, and it was adopted, 26 to 22.

SEVENTY-NINTH DAY.

In the Senate Wednesday, Mr. Mc-
Nary, as a question of personal priv-
ilege, made emphatic denial of the
statement that his resolution, adopted
in the interest of the sugar growers of
Louisiana. He said he had not con-
sidered the planter about the resolu-
tion, and that as a matter of fact,
they were known to be opposed as a
body to the ratification of the peace treaty.

A bill was passed providing for the
admission to the Naval Academy as
cadet of Oscar J. Deigan, one of the
Merrimac heroes.

SEVENTY-TENTH DAY.

The army reorganization bill was re-
ported to the Senate Thursday and
Mr. Hawley (Rep., Conn.), chairman
of the military affairs committee, gave
notice he would move to proceed to its
consideration at the earliest possible
time. When peace treaty ratifications
were exchanged the situation, he said,
would be serious, as existing law gave
the President no alternative but to
discharge the volunteers and to reduce
the regular army from about 58,000 to
27,000 men.

SEVENTY-ELEVENTH DAY.

There was a pronounced movement
in the Senate Friday looking to a com-
promise on the army reorganization
bill. Several Republican senators ad-
vanced the opinion that a compromise
was preferable to an extra session of
Congress. The Cockerill bill was ac-
cepted by them as the first advance on
the part of the Democrats toward an
understanding, and many felt that they
would go further in that direction
in case the Republicans should indicate
a willingness to meet them halfway.

SEVENTY-TWELFTH DAY.

The Senate spent most of Saturday
on the Post Office appropriation bill,
but failed to complete it. After animat-
ed discussion of the postoffice
tube system, Mr. Cullom's amendment,
increasing the appropriation for this
purpose and designed to extend the
system to Chicago, was tabled. An
echo of the old star route develop-
ment was heard when several Sen-
ators criticized the method by which
a combination of speculators secured the
star-route contracts.

Painted the Vest.

While a crowd of Harvard boys were
celebrating the Pennsylvania game in
the cafe of a Boston hotel one of the
students became infatuated with a
gorgeous white waistcoat which was
worn by one of the colored waiters.

He called the colored man and said to
him: "I want to buy that waistcoat."

"What you want of that waist, boss?"
said the man. "I just want to buy it."

"What will you take for it?" After a
good deal of huffing and some hesi-
tation the colored man allowed that
he would take \$5 for it. "Done," said
the Harvard man, and he pulled out a
\$5 bill and gave it to the negro, who
began to pull off the waistcoat. "Oh,
you needn't do that," said the stu-
dent. "I don't want you to give it to
me—I just wanted to feel that I
owned that waistcoat." The negro
went to wait on his table, when the
student called to him: "Come here."

"What you want, boss?" The student
called the negro up close, dipped his
own fingers into a plate of cranberry
sauce that he had and with them pro-
ceeded to mark a big "H" exactly on
the middle of the front of the white
waistcoat—his waistcoat!

IS YOUR HAIR TURNING GRAY?

What does your mirror say?
Does it tell you of some little
streaks of gray? Are you
pleased? Do your friends of
the same age show this loss
of power also?

Just remember that gray
hair never becomes darker
without help, while dark hair
rapidly becomes gray when
once the change begins.

Ayer's Hair Vigor

will bring back to your hair
the color of youth. It never
fails. It is just as sure as
that heat melts snow, or that
water quenches fire.

It cleanses the scalp also
and prevents the formation of
dandruff. It feeds and nour-
ishes the bulbs of the hair,
making them produce a luxu-
riant growth. It stops the
hair from falling out and gives
a fine soft finish to the hair
as well.

We have a book on the Hair and

upon request.
