Danger Signals!

Do you take cold with every change in the weather? Does your throat feel raw? And do sharp pains dart through your chest?

Don't you know these are danger signals which point to pneumonia, bronchitis, or consumption itself?

If you are ailing and have lost flesh lately, they are certainly danger signals. The question for you to decide is, "Have I the vitality to throw off these diseases?"

Don't wait to try SCOTT'S EMULSION "as a last resort." There is no remedy equal to it for fortifying the system. Prevention is easy.

Scott's Emulsion

Prevents consumption and hinders other diseases which attack the weak and those with poor blood.

SCOTT'S EMULSION is the one standard remedy for inflamed throats and lungs, for colds, bronchitis and consumption. It is a food medicine of remarkable power. A food, because it nourishes the body; and a medicine, because it corrects diseased conditions.

Sole and 9-10c, all druggists. SCOTT & BOWEN, Chemists, New York

EVERYTHING has an end. The beef inquiry is over, and the court is now working upon its report, which is looked for this week. Some very radical predictions are being made as to the nature of the report, such as that it will wash the War Department officials and censures General Miles and other officers who found fault with the beef, but conservative men believe that the report will be a different sort of a document; that it will deal very lightly with censure for anybody and that it will aim to be of such a nature that all parties can, without loss of dignity consent to drop the whole controversy, which many think to have already been productive of more harm than good. It will soon be known which of these predictions is the correct one, as the understanding is that the report will be made public as soon as it is submitted.

CONSTABLES' PAY.

Representative Frank G. Harris, of Clearfield county, has had the following bill, making counties liable for the fees and mileage of constables making returns to court, pushed through the Legislature to final passage and which was approved by the Governor on April 6th. The constables' fee bill, passed several weeks ago, omitted to make the counties liable, therefore Mr. Harris took up the matter and had this bill framed, passed and approved. An Act requiring the fees and mileage allowed by law to constables for making returns to the court of quarter sessions of the peace and for attending at general special township, ward and borough elections to be paid by the several counties of this Commonwealth.

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met and it is hereby enacted by the authority of the same. That from and after the passage of this Act the constables in the Commonwealth shall be entitled to receive from the county treasury upon orders drawn by the commissioners of the several counties the fees and mileage now allowed by law for making returns to the court of quarter sessions of the peace and for attending at general special township, ward and borough elections and the several counties are hereby made liable therefor and required to pay the same as aforesaid.

Section 2. That all Acts or parts of Acts, general or special, inconsistent herewith be and the same are hereby repealed.

Approved April 6th, 1899.

WALTER MAIN'S CIRCUS.

To Exhibit at Altoona Monday, May 8th, 1899. Altoona is to be visited on above date by Walter Main's fine circus and menagerie. It comes highly recommended by both the States and Provinces. It is a square dealing show, and neither gambling and pilfering is permitted near it. The attaches are gentlemen, and will make it pleasant for all visitors. Everyone connected with the show is proud of the big institution with which he is connected, and the public will be surprised at the enormity of the show too, as well. It comes on its own special train.

The parade will embrace the principal streets and start at 10 a. m. from the grounds. The parade will be novel and worth seeing. Many of the animals will be open to view. There are some very fine specimens of the wild beast creations in the menagerie, in all over 25 dens. One unprecedented novelty and curiosity is the baby elephant, only two months old. He is called Admiral Dewey, but should be named, the attendants say, "Peanut," he is so very small and has acquired an unsatisfiable appetite for the circus nut. There is a den containing three baby lions only six weeks old, another with a young kangaroo, and another having in it four baby monkeys. Some baby Arabian ponies are other features, also a big stock of ostriches and one baby chick ostrich among them.

This great show has the finest performing lions, tigers and leopards on earth. They all perform in the open circus ring, like equestrians and acrobats, and do the same kind of feats, even to the lions riding horseback and somersaulting. It is a wonderful act. The circus is excellent. It is one of the features and full of comedy. The acrobats, riders, acrobats, leapers and general performers are the very best that money can procure. There are nine acts in the circus, the finest of their kind in the world. A free exhibition takes place at the grounds at 11 a. m. and 6:30 p. m. Band concert in circus tent one hour preceding each performance. Doors open at 1 and 7 p. m. Program commences at 2 and 8 o'clock.

Two Lots for Sale. One lot on the south-east corner of Fifth and Palmer avenues, Patton Borough, will be sold for \$350.00 and the lot adjoining the same on the south will go at \$300.00. For particulars call on or address the COURIER, Patton, Pa. J. D. Bridge, editor and proprietor of the Democrat, Lancaster, N. An exchange says that a small church was sadly in need of general repairs and a meeting was being held in it with a view to raising funds for that purpose. The minister having said \$500 would be required, a very wealthy and equally stingy member of the congregation arose and said he would give one dollar. Just as he sat down, however, a lump of plaster fell from the ceiling and hit him on the head, whereupon he arose and hastily said he had made a mistake, he would give \$50. This was too much for the enthusiastic preacher, forgetful of everything called out fervently, "Oh Lord, hit him again!"

If you suffer from tenderness or fullness on the right side, pains under shoulder-blade, constipation, biliousness, sick-headache and feel dull, heavy and sleepy your liver is torpid and congested. DeWitt's Little Early Risers will cure you promptly, pleasantly and permanently by removing the congestion and causing the bile ducts to open and flow naturally. They are good pills. C. W. Hodgkins, Patton Pharmacy.

No! it is not claimed that Foley's Honey and Tar will cure CONSUMPTION or ASTHMA in advanced stages, it holds out no such false hopes, but DOES truthfully claim to always give comfort and relief in the very worst cases and in the early stages to effect a cure.

THE TWO HOUR TRAINS

Between Philadelphia and New York via Philadelphia & Reading Railway.

For luxurious, swift and at the same time perfectly safe traveling the above train cannot be excelled, a special notable feature is the entire absence of smoke, soot and cinders, the engines burning only hard coal. The introduction of these trains by the Philadelphia & Reading was a great boon to the business men of both cities, and the patronage by this class of passengers has steadily increased as well as that of other persons for pleasure or business purposes. It is a common practice by these travelers to leave home in Philadelphia after breakfast, and spending the day in New York return in time for 7 o'clock dinner.

Pullman cars are attached to all these trains, and the 7:30 a. m. to and 4 p. m. from New York also have Pullman Buffet parlor car. To specially accommodate the gentlemen the 8:30 a. m. to and 4:30 p. m. from New York, also have a parlor smoking car attached.

Fortime tables apply to any Philadelphia & Reading ticket agent, or address Edson J. Weeks, General Passenger Agent, Reading Terminal, Philadelphia.

As the season of the year when pneumonia, lagrippe, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or is "just as good" as One Minute cough cure. That is the one infallible remedy for all lung, throat and bronchial troubles. Insist vigorously on having it if "something else" is offered you. C. W. Hodgkins, Patton Pharmacy.

"A word to the wise is sufficient" and a word to the wise should be sufficient, but you ask, who are the wise? Those who know. The oft-repeated experience of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for 12 years, has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best.
