Are the best

When she has patterns that can be depended on to give a perfect fit, most any woman can be her own dressmaker. In offering our patrons the Butterick Patterns and Publications, we feel that we give them the best there is to be had. The printed directions which go with each pattern are so simple and easily followed that the most inexpert seamstress can follow them. There are some other patterns sold at a lower price than Butterick's, but does it pay to run the risk of spoiling the new dress at a saving of a few cents on the
