WOMEN SHOULD KNOW IT.

Many women suffer untold agony and misery because the nature of their disease is not correctly understood. They have been led to believe that womb trouble or female weakness of some sort is responsible for the many ills that beset womankind.

Neuralgia, nervousness, headache, puffiness of the face, weakness or bearing down sensation, profuse or scanty supply of urine with strong odor, frequent desire to pass it with scalding or burning sensation, sediment in it after standing in bottle or common glass for twenty-four hours, are signs of kidney and bladder trouble.

The above symptoms are often attributed by the patient herself or by her physician to female weakness or womb trouble. Hence, so many fail to obtain relief, because they are treating the disease itself, but a reflection of the primary cause, which is kidney trouble.

In fact, women as well as men are made miserable with kidney and bladder trouble and both need the same remedy.

Dr. Kilmer's Swamp-Root is the great discovery of the eminent kidney and bladder specialist, and is easy to get at any drug store at fifty cents or one dollar.

To prove its wonderful merits you may have a sample bottle and book telling all about it, both sent absolutely free by mail. Kindly mention the PATTON COURIER and send your address to Dr. Kilmer & Co., Binghamton, N. Y.

Bad management keeps more people in poor circumstances than any other one. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftest fellow will wait until necessity compels it and then ruin his best horse, going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by C. W. Hodgkins, Patton Pharmacy.

Reduced Rates to St. Louis.

K. at St. Louis, Mo., June 20 to 23, 1899, the Pennsylvania Railroad company will sell round-trip tickets from points on its line to St. Louis and return, at greatly reduced rates. Tickets will be sold June 15 and 19, good to return until June 25. For specified rates and conditions apply to Ticket Agents.
