Conglomeration of Tongues.
 Rev. C. C. Hays, who some time ago furnished us with the information that thirteen different nationalities were represented in Windber, now comes forward with the statement that he has discovered another, making fourteen in all. This last discovery is that of a family of Bretons, whose language is similar to that of the Welsh. To-day the Reverend reports one more, a family speaking the Croatian tongue, making fifteen languages spoken in Windber.—Era.

Hamilton Clark, of Chauncey, Ga., says he suffered with itching piles for twenty years before trying DeWitt's witch hazel salve, two boxes of which completely cured him. Beware of worthless and dangerous counterfeits. C. W. Hodgkins, Patton Pharmacy.

About one month ago my child, which is about fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At that time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's colic, cholera and diarrhoea remedy was recommended, and I decided to try it. I soon noticed a change for the better, but by its continued use a complete cure was brought about and it is now perfectly healthy.—C. L. Boggs, Stumpstown, Guilmer Co., W. Va. For sale by C. W. Hodgkins, Patton Pharmacy.

Hodgkins, Patton Pharmacy.

The New York Sun has taken the trouble to collect, and compile, the loss, in killed and wounded, in all the great battles of modern times, and finds the loss was greatest, for the number of men engaged, at Gravelot and Gettysburg. The former battle was fought in the Franco-Prussian war, and in the latter, as all our readers know, was the decisive battle of our civil war. The battles that were fought in the Spanish-American war, and in the so-called Philippine war, were but skirmishes in comparison.

"Our baby was sick for a month with severe cough and catarrhal fever. Although we tried many remedies she kept getting worse until we used one minute cough cure—it relieved at once and cured her in a few days."—B. L. Nance, Prin. High school, Bluffdale, Texas. C. W. Hodgkins, Patton Pharmacy.
