The wool on the back of a sheep is a shepherd's barometer. The earlier the wool the finer will be the weather.

The property owners of Palmer avenue expect to present a petition to Council asking that a sewer be constructed along that street to connect with the Beech avenue sewer near Fourth avenue.

A large crowd of Pattonites took advantage of the cheap excursion to Bigler campmeeting Sunday. Six coaches were well filled when the train left this place. A large number from Patton is expected to attend Sunday.

A smokeless coal is promised very shortly. It is made of ninety-three per cent. of coal dust and seven per cent. of tar and caustic lime. The latter forms a bright burning gas and thus prevents the generation of smoke.

The Ebensburg fair this year will be held from the 29th of this month to the 1st of next, and that of the Cambria county Agricultural Association at Carrolltown from September 4th to 8th, inclusive. Both promise to be up to the usual high standard.

The many friends of W. H. Denlinger of the firm of Denlinger Bros., wholesale dealers in oils of Pittsburg, but who now resides at Phillipsburg, will be glad to learn that he will, in the near future, take up his place of residence in Patton.

Another chance will be given to see a grand entertainment for the benefit of the Epworth League under the direction of W. W. Stratiff and committee in M. E. church Friday evening, August 25th. Come out and encourage the good work.

Samuel Greenwald, representing the Somerville Woolen Mills, of Somerville, N. J., was looking after trade in Patton Thursday. Mr. Greenwald represents one of the largest woolen manufacturing of the United States. It has 53 salesmen on the road and employs over 2,100 people. All its clothing is made from the raw material of its own manufacture.

For Sale—Good fine brick at \$6 per thousand. Inquire at Fisher's wall Paper Store.

WANTED—One hundred people to leave their orders for Philadelphia Sunday papers at the news stand.

\$1000 Reward.

Ted Ellis, of the Gem Fruit and Fish store, offers the above reward to the party or parties giving information that will lead to the conviction of the person who unlawfully posted a constable sale notice on his fruit stand on Aug. 14, stating that his peannts and fish were to be sold on the 24th. He expects to get rid of the stock several times before that and is selling bananas 10 and 15 cents per dozen and peannts 50 per quart. Fish will arrive on Thursday. Call and get prices and don't forget you will find him in the Yabner building.

Black Bear Near Barnesboro.

A large black bear is said to be at large in the woods near Barnesboro, this county, and a band of nimrods of that village started to hunt him one day last week, but when they heard bruin's ferocious howl, it is alleged they acted on a principle that discretion is the better part of valor and beat a hasty retreat for reinforcements, and the bear is still at large.

Large Versus Small.

Papers of large circulation cover a given field or territory more thoroughly and cheaply than a dozen smaller mediums whose combined circulation is practically the same. A single shell will carry farther and do greater execution than a whole volley of rifle shots.—Ex.

Keep Your Eye on the Day.

Of the festival and 24 an sale to be held in the Goldstein hall, Friday evening, September 1st. The best of ice cream, cake, etc., will be on sale, also a fine assortment of aprons, suitable for dress, school and kitchen, from 25 cents up—an exceptional opportunity for mothers to secure aprons for the coming school days. Will be held under the auspices of the Ladies' Aid Society of the M. E. church.

Mrs. Wm. H. Sandford, Pres.
M. R. Spottswood, Secy.
