SCOTT'S EMULSION OF COD-LIVER OIL WITH HYPOPHOSPHITES

should always be kept in the house for the following reasons:

- FIRST—Because, if any member of the family has a hard cold, it will cure it. SECOND—Because, if the children are delicate and sickly, it will make them strong and well. THIRD—Because, if the father or mother is losing flesh and becoming thin and emaciated, it will build them up and give them flesh and strength. FOURTH—Because it is the standard remedy in all throat and lung affections.

No household should be without it. It can be taken in summer as well as in winter.

SCOTT & BOWNE, Chemists, New York.

INTERESTING WESTOVER LETTER.

Compiled by a Well-Awakened Correspondent from the Clearfield County Town.

James Hinton is authority for the statement that but one genuine Jeffersonian Democrat exists in the county of Clearfield, and he is said to be in the woods. Exact location unknown, but supposed to be somewhere near Five Points in Cheat township.

With apologies we wish to say that Prof. Coffey will open Normal school at this place April 17th instead of May 10 as erroneously stated by us last week.

The Westover boys are going into the bee business.

N. S. Caldwell, Mr. Mosses' confidential clerk, will spend a two weeks' vacation with friends at Williamsport.

G. W. Jone, of Ladose, was in town Saturday stung by the western horse.

The freight traffic is heavier here at present than it has ever been since the railroad was built.

The building of fifty double houses for the coal company will be next on the program.

Harvey Hawes, of Grant, was in town Monday.

Our base ball team will be ready to play as soon as the weather will permit. We propose to issue a broad challenge covering Clearfield, Cambria and Centre counties. The boys will play for fun or money.

In almost every neighborhood there is someone whose life has been saved by Chamberlain's colic, cholera and diarrhoea remedy, or who has been cured of chronic diarrhoea by the use of that medicine. Such persons make a point of telling of it whenever the opportunity offers, hoping that it may be the means of saving other lives. For sale by Patton Pharmacy, C. W. Hodgkins.

Resolutions of Respect.

Headquarters of Lieut. Peter Kaylor Post, No. 633, Grand Army of the Republic, Department Pennsylvania. At a regular meeting of Lieut. Peter Kaylor Post, No. 633, G. A. R., the following resolutions were adopted on the death of our late comrade, Patrick B. Kerren, who enlisted in the dark and bloody days of 1861, and served his country fighting for Old Glory for three years as a member of the famous 1st Pennsylvania Reserve Cavalry.

Resolved, That we, as members of Lieut. Peter Kaylor Post, 633, bow in humble submission to the will of the Great Commander, Who doeth all things well, in the removal of our comrade, and in our great loss it will be Comrade Kerren's eternal pain. May he rest in peace until the big guns sound us all to fall in for roll call in the great beyond, where we expect to hear him answer there. Comrades let us all be ready when our time expires so we can assemble around Our Father's Throne and rest from all our long marches here below.

Resolved, That our charter and flag be draped in mourning for 60 days and these resolutions be published in the PATTON COURIER. W. H. H. BELL, WM. J. ADAMS, JOHN N. NAGLE, VALENTINE DUMM, Committee. Big Fire at Madera. The plant of the Carmen manufacturing company at Madera was wholly consumed by fire last Thursday morning together with a large amount of manufacturing products. The loss will amount to about \$16,000 on which there is a small insurance. The company's principal manufacture was a combination bath-tub and couch.

M. B. Smith, Butternut, Mich., says, "De Witt's Little Early Risers are the very best pills I ever used for constiveness, liver and bowel troubles." C. W. Hodgkins, Patton Pharmacy.

The Best in the World.

We believe that Chamberlain's cough remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by C. W. Hodgkins, Patton Pharmacy.

"I used Kodol dyspepsia cure in my family with wonderful results. It gives immediate relief, is pleasant to take and it is truly the dyspeptic's best friend," says E. Hartgerink, Overisle, Mich. Digests what you eat. Cannot fail to cure you. C. W. Hodgkins, Patton Pharmacy.

To secure the original which hasel salve, ask for De Witt's, which hasel salve, well known as a certain cure for piles and skin diseases. Beware of worthless counterfeits. They are dangerous. C. W. Hodgkins, Patton Pharmacy.

Great opportunity offered to good, reliable men. Salary of \$100 per week and expenses for men with rig to introduce our Poultry Mixture and Insect Destroyer in the country. Send stamp, American Mig. Co., Terre Haute, Ind.

Avoid Contact With Sick Pets.

Dogs and monkeys are subject to tuberculosis and are said to be capable of communicating the infection to human beings. A large number of the canaries that die in captivity fall victims to the same disease. Parrots suffer from a malady peculiar to themselves. The bacillus that causes it is thought to originate pneumonia in man. Cats have been known to be the carriers of diphtheria, and possibly of scarlet fever and other infectious diseases. Great care should be taken during an epidemic to keep pet animals out of the reach of infection, or else away from the children, and at any time a bird or animal that seems ailing should be at once isolated.—April Ladies' Home Journal.

If troubled with rheumatism, give Chamberlain's pain-balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frost-bites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cents. Patton Pharmacy, C. W. Hodgkins.

Mrs. Harriet Evans, Hinsdale, Ill., writes, "I never fail to relieve my children from croup at once by using One Minute cough cure. I would not feel safe without it." Quickly cures coughs, colds, grippe and all throat and lung diseases. C. W. Hodgkins, Patton Pharmacy.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly filling the cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, Ohio is the only constitutional cure on the market. It takes interest in doses from 10 to 50 cents. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Hall's Family Pills are the best.

Remarkable Cure of Rheumatism.

Kenna, Jackson Co., W. Va. About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddox insisted on my using Chamberlain's pain balm. I purchased a fifty-cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A. B. Parsons. For sale by Patton Pharmacy, C. W. Hodgkins.

Mrs. Calvin Zimmerman, Milesburg, Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute cough cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption. C. W. Hodgkins, Patton Pharmacy.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Our showing of Hat styles, from the most fashionable centers, Paris, Berlin and New York, as well as our own special creations, will be very fine, our beauty about it being the practicality of the styles and goods, not gorgeous mass of flowers, feathers, lace and ribbons piled up to make a show and a big price, but genuine wearable Hats in perfect taste from the simplest and lowest priced to the finest and most expensive.

There will be Hats for all, low, medium and high priced, but whatever the value, the Hat will have a perfect and individual style that will make a \$5.00 or \$8.00 Hat difficult to distinguish from one that will be worth \$10.00 to \$15.00.

You are cordially invited to visit us this week and enjoy the beautiful display. L. W. COOK, Altoona, Penna.
