Our Eye Specialist, by special request will be at the above Drug Store twice each year, much of his time you will find him at our Spectacle factory in Buffalo, N. Y. No eye specialist in the United States does business like ours. He offers you protection if you want your eyes tested for spectacles. If you have been to see one hundred eye specialists call on our eye specialist, you will never regret it, he improves eyesight after hundreds have failed; his work is simply an advertisement for our Spectacles. He is the best man we have and a member of the company, for ten years. We refer you to any of the below Druggists, all are United States best Druggists and business firms, as to our reliability. For the last ten years our eye specialist has not stopped or done business with anyone except a reliable druggist. He has never called on any private individual. We sell to the Druggist. You buy our glasses of the Druggist.

**\$100.00 REWARD--**We offer to any one with an eye our eye specialist cannot fit correctly with glasses. Buying spectacles of our REPRESENTATIVE you have a double guarantee. Chicago Optical Company is one of the most reliable houses in the United States, located in the City of Buffalo, will keep your glasses in repair. It only costs five cents to mail your glasses to us in perfect safety, if you wish them changed or repaired. Our glasses will be of practical use to you and last much longer than ordinary glasses. The eye specialist always makes a perfect fit of all his glasses. The perfect fit of glasses takes the strain off the eyes, and improves eye sight and the eyes gain strength by use of our glasses.

Our eye specialist has about a two thousand dollar stock of spectacles with him, but in case he has not the glasses that will correctly fit the eyes, he will mail the prescription to us at once and we will make them according to order and forward them without delay. He will not let you have glasses that are not a perfect fit. He will give you a written guarantee that he will test your eyes inside of five years and change your glasses free of expense. You are protected in another way in buying your glasses from our eye specialist, as a rule he stops with one of the most reliable druggists in your town. If we do not please you, he would not want our eye specialist to stop with him again. Druggists would see we live up to our guarantee or expose our brand. All druggists we stop with are members of Druggist Associations and know of our reliability.

Defective eye sight causes more headaches than any other bodily ailment. Chicago Optical Co.'s eye specialist has fit thousands of eyes with spectacles who had headache and nervousness for years, after getting our glasses it entirely disappears. If you will carefully read our eye-specialists testimonials on the other side you will see most of them are from customers who have been misfit many times and some a few times. If he can fit eyes other skilled men have failed on surely he can fit ordinary eyes more accurately than other specialists. He will not be undersold by any responsible houses in Buffalo or Chicago. His prices are half what many specialists charge. We offer you a bonafide guarantee he has examined 20,000 eyes and we have 2000 patients in the city of Buffalo, N. Y. and 22 years experience.

No eye specialist carries so large a stock of spectacles and human artificial eyes as our eye specialist. Do not fail to have him examine your eyes.
