So par as this government is concerned, the fighting in China is over, unless it becomes absolutely necessary to fight to preserve order, and the An Ordinance for the opening of Third Chinese situation will be handled by diplomacy. Before the allied army started to Pekin, the policy of this government was officially proclaimed, and the world informed that its troops acted by authority of the same: were in China solely to protect foreigners and to preserve order. That pol-maintained as a public street and icy has been emphasized by communi-cations to the allied governments, call-ing attention to the object for which Ing attention to the object for which lowing described street: Beginning on both of Chest Springs, were united in Dutton, of Danville, Ilis.
