The money of a Democrat or Republican is just as good as that of a Prohibitionist and will be taken from any patriotic political opponent, without regard to race, creed or previous condition of servitude. -The Commissioners of Cambria county have offered rewards of \$100 each for the capture of the four men who murdered Andrew Skopien at Skrap Level and for the foreigner who shot Daniel Cook near Twin Rocks. Killing and shooting affairs are becoming too general, it would seem, and the general action of the Commissioners will probably meet with the approval of the people. -The Harrisburg Telegraph says that the pay rolls of the employees of the Pennsylvania railroad for December about made out and show that the amounts to be paid out will be fully as large as in the previous month. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat. C. W. Hodgkins, Patton Pharmacy. Such little pills as DeWitt's Little Early Risers are very easily taken, and they are wonderfully effective in cleansing the liver and bowels. C. W.
