We, the undersigned Auditing Committee of the Patton Building & Loan Association, having examined the books of the Secretary and Treasurer, and the security papers in the hands of the Treasurer, hereby certify that the foregoing is a true and correct report of the finances of the Association as they appeared on the 31st day of December, 1900.
Dated at Patton, Pa., January 15th, 1901.
H. O. WINSLOW, Auditors.
FRANK McCLURE, Auditors.

This season there is a large death rate among children from croup and lung troubles. Prompt action will save the little ones from these terrible diseases. We know of nothing so certain to give instant relief as One Minute Cough Cure. It cures the worst cases of throat and lung troubles. Pleasant to take. C. W. Hodgkins, Patton Pharmacy.

Consumption Threatened.
C. Unger, 212 Maple St. Clamplign, Ill., writes: "I was troubled with a hacking coughing for a year and I thought I had the consumption. I tried a great many remedies and was under the care of physicians for several months. I used one bottle of Foley's Honey and Tar. It cured me and I have not been troubled since. All Druggists."

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption. C. W. Hodgkins, Patton Pharmacy.

Such little pills as DeWitt's Little Early Risers are very easily taken, and they are wonderfully effective in cleansing the liver and bowels. C. W. Hodgkins, Patton Pharmacy.
