He Is Commander of the United States Revenue Steamer Bear and Congress in Life Saving Within Arctle Circles

A man upon whose breast there rests | medal by congress. a medal, struck off by congress at the special request of President McKinley, for conspicuous bravery shown in the succoring of human life in the Arctre circle, is Lieut, David H. Jarvis, commanding the United States revenue cutter Bear and whose remarkable experiences as an officer of the United States government in the far north has made him one of the most famous revenue officers in the marine service. Although but 35 years old Lieut, Jarvis is probably more familiar with our northern territory than any other officer, having spent ten summers in

northern latitudes. During the past summer Lieut Jarvis spent most of his time at Nome City, where as commander of the U. S. S. mon wellow cat, with none of the strength of the lion.

You want LION COFFEE because it is LION COFFEE.

If, on the other hand, you want a coffee which, in order to hide imperfections, is "highly polished" with eggs and other preparations, then do not buy

LION COFFEE.

If LION COFFEE were common, ordinary stuff, coffee drinkers would'nt insist on having it. It is used in millions of homes because it is the best coffee in the world for the price. If you doubt this, take a single package home and try it.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fall to find in the list some acticle which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound scaled packages (which is the only form in which this excellent collier is sold).
