WHY NOT?

Prominent Cambria County Politician Candidate for State Treasurer.

F. H. Barker, the well-known politician of Ebensburg, is the latest to have his name connected with the Republican nomination for state treasurer. The following appeared as a special from Harrisburg to the Pittsburg Commercial:

Ex-Sheriff George M. Wertz of Ebensburg, Cambria county, is here. Mr. Wertz is of the opinion that the Republicans would not make any mistake in case they nominated F. H. Barker of Cambria for state treasurer. Mr. Barker is county chairman, a sterling Republican, a prominent merchant, a veteran of the civil war and a brother of President Judge Barker.

The Pittsburg Times also contained this in its Harrisburg correspondence: A boom has been started here for F. H. Barker of Ebensburg as the Republican candidate for governor. He is a brother of Judge Barker of Cambria county.

STAMPS WILL BE REDEEMED.

The Government Agrees to Take Back All Not Used by July 1st.

The stamp tax having been removed from checks and numerous other papers and documents by an act of the recent Congress, there has been considerable speculation among those compelled to use and carry in stock a large number of stamps as to whether the Government will redeem them. The Treasurer Department set the matter at rest, partially at least, by issuing the following notice:

"All documentary and proprietary revenue stamps in the hands of purchasers on and after July 1, 1901, will be redeemed by the Government. Such stamps should be presented for redemption by the owners thereof to the Collector of Internal Revenue from whom they were purchased."

July 1st, as the beginning of the Government's fiscal year, has been set for the new law to go into effect.

A question that will naturally arise is whether the Government will redeem only loose stamps, or those printed on checks also. As it received equal pay for both kinds, it evidently should accept them on equal terms, though it is not probable many imprinted checks would be presented.
