## SPRING

Is here. Man is preparing to shed his winter togs.

It's our business to show him the proper things in dress for this first Spring of the new century.

And we have the "proper things"—nothing more proper anywhere—beautiful textures—beautiful weaves—beautiful tailoring.

The Royal Tailors, of Chicago, are our tailors. They have sent us some six hundred patterns in the latest Spring and Summer suitings. Look them over. We think you'll like them—and that you'll want a new suit from one of them—and perhaps a new Spring overcoat.

If you can beat the goods—the style—the fit—the tailoring—we don't expect your patronage; but you can't—you can't even match them at the price.

Don't fail to see our big line of Cassimeres and Worsteds, Outing Flannels and Fancy Vestings.

Remember, every garment tailored to your measure—tailored the way you want it tailored—tailored without any help from the "sweat shop," and guaranteed to please you or we keep it.

Also a full line of Hats, Gents' Furnishings, Etc.  
**GLASSER, Hastings, Pa.**
