A VALUABLE PUBLICATION.
The Pennsylvania 1901 Summer Excursion Route Book.

On July 1 the passenger department of the Pennsylvania railroad company published the 1901 edition of the Summer Excursion Route Book. This work is designed to provide the public with descriptive notes of the principal seashore and mountain resorts of the East, and over seventeen hundred different routes or combinations of routes. The book has been compiled with the greatest care, and altogether it is the most complete and comprehensive handbook of summer travel ever offered to the public.

The cover is handsome and striking, printed in colors, and the book contains several maps, presenting the exact routes over which tickets are sold. The book is profusely illustrated with fine half-tone cuts of scenery at the various resorts and along lines of the Pennsylvania railroad.

On and after June 1 this very interesting book may be procured at any Pennsylvania ticket office at the nominal price of ten cents or upon application to the general office, Broad Street Station, by mail for twenty cents.

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble. Dr. Killebrew's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, with a book telling about Swamp-Root and its wonderful cures. Address Dr. Killebrew & Co., Binghamton, N. Y., and mention this paper.
