Columbia, S. C. (Special) -An accident at the new bridge which the Southern Railway is constructing across the Congaree river caused the death of four men. One other was fatally and two more seriously injured. The accident occurred at 8 30 a. m. and was caused by the falling of the control of the falling of the card by the falling of two steel girders about seven feet long weighing 14 tons each. The two girders were hoisted about midway of the river above the bridge. The rains of the night previous probably had caused the ropes holding them in place to slip. The crash came without the slightest warning. There were 75 people on the bridge, spectators and

Three of the men were pinned to the bridge and killed instantly, four more knocked into the river, two of whom which came up from the Congaree locks, a quarter of a mile away.

The bridge is being built by the Phoenix Bridge Company, of Philadelphia.

The structure was not materially dam-

aged by the accident, though some of the ironwork was strained.

MANILA GUARD TO BE INCREASED.

Four Companies to Be Added to the Present Force-City is New Orderly.

Manila (By Cable) .- In the city of Manila there are now less than 1000 effective soldiers, and it has been decided to increase this number by four companies of infantry. The official reason for the increase is that guard duty is too heavy for the present force. As a matter of fact, however, there is a feeling that, although there is no apparent prospect of trouble nevertheless, in the event of an prising in the future-such as is always possible among the Malays-it would be better to have a sufficient body of troops available for such an emergency.
