Care of the Complexion.

Many persons with delicate skin suffer greatly in winter from chapping. Frequently the trouble arises from the use of impure sons and cheap talves. The face and hands should be used only in clear, hot water with Ivory Soap. A little mutton-tallow or almond oil may be used after the bath to soften the skin.

Some people never attempt to look pleasant except when they are having their pictures taken.

A woman can't throw a stone, but she can heave a sigh.

Mrs. Ellen Ripley, Chaplain Ladies Aid, Grand Army of the Republic, No. 7, 222 10th Ave., N. E., Minneapolis, Minn., Strongly Endorses Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: - Your Vegetable Compound cured me of ulceration of the words, and getting such a complete cure I felt that the medicine had genuine merit and was well worth recommending to other sick women.

"For fifteen years I have been your friend. I have never written you before, but I have advised hundreds of women to take your medicine, in fact it is the only real reliable remedy I know of for a sick woman.

"I have not yet found a case of ovarian or womb trouble which has not been relieved or cured by the faithful use of Lydia E. Pinkham's Vegetable Compound.

"You have brought health to hundreds of women in Minneapolis as you have no doubt to others over the country." -MRS. ELLEN RIPLEY.

\$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE. When women are troubled with irregular or painful menstruation, weakness, leucorrhosa, displacement of ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion, and nervous prostration, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any other medicine.

ideal home laxative. The combination is a simple and wholesome one, and the method of manufacture by the California Fig Syrup Company ensures that perfect purity and uniformity of product, which have commended it to the favorable consideration of the most eminent physicians and to the intelligent appreciation of all who are well informed in reference to medicinal agents.

Syrup of Figs has truly a laxative effect and acts gently without in any way disturbing the natural functions and with perfect freedom from any unpleasant after effects.

In the process of manufacturing, figs are used, as they are pleasant to the taste, but the medicinally laxative principles of the combination are obtained from plants known to act most beneficially on the system.
