"She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain cough remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. I consider that a very good recommendation for the remedy."

TWO LETTERS.

From the Johnstown Tribune.

The Tribune has had placed in its hands the following two letters, with the option of doing with them as it thinks best. One is written by Mr. Freeman Harshberger, an employee of the Johnstown Passenger Railway company, who is also Republican Committeeman in what was formerly the borough of Roxbury, now a part of the Eighth Ward of Johnstown; the other by Francis Joseph O'Connor, Democratic-Union candidate for Judge of Cambria County.

The Tribune thinks it best to publish both letters. Those who read can form their own opinions.

To the Editor of the Johnstown Tribune.

Sir: I received the accompanying letter a day or two ago. You can use the contents of it as you choose. I merely wish to say I did not charge Mr. O'Connor with the offense alleged, simply because I did not know anything relative to the matter spoken of. Yours truly, F. HARSHBERGER, Johnstown, Oct. 22 1901.

And here is the letter received by Mr. Harshberger and enclosed to the Tribune:

Johnstown, Pa., Oct. 19, 1901.
Mr. Freeman Harshberger.

DEAR SIR: It has come to my ears several times that you are circulating a report about me which is not only untrue, but which you must know is a lie out of the whole cloth. You are represented as declaring that I was the leader, or that I took part in the riot which occurred at the armory in this city during a talk of a certain woman by the name of Shepherd some two years since. I was not only not present, but did not know that the woman was going to speak, and you certainly know this to be a fact, or if you had any doubts you could easily have set them at rest. You have known me for some years, and you have never experienced any injury at my hands. I am not only interested in the company which employs you, but its officers are numbered among my friends. I believe if it were brought home to them that you are engaged in circulating a villainous lie about me that you would not long retain your position in their employ. You have a perfect right to support whom you please in this campaign, for that is the glorious privilege of any American citizen in any campaign and I would in no wise abridge that privilege or interfere with it, but I do not purpose to be slandered and lied about in matters with which politics have nothing to do, and I shall demand a retraction of this false statement in every quarter where you have given it circulation. I shall furthermore require some evidence that you are making an honest effort to repay the wrong which you have attempted to perpetrate against me.

Respectfully yours,
F. J. O'CONNOR.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers; they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Send in ten-cent stamp. Also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
