PATTON VS. EBENSBURG.

The Latter Won in a Close and Hotly Contested Foot Ball Game.

Patton's foot ball team went down to defeat after a hard struggle at Ebsenburg on Thursday by the small score of 5 to 0. The county seat team on this occasion was composed of at least four players from Ebsenburg. The first half resulted in neither side scoring and when time was called Patton was within ten feet of Ebsenburg's goal.

Most of the playing was done on Ebsenburg's territory. In this half Dan Reamer was unfortunate enough to have his left arm broken in the scrimmage, but Wm. Bennett was substituted and put up an excellent game. In the second half Patton was not in it to any appreciable extent, and after Bezer had his left ankle sprained and was compelled to retire from the game the boys lost heart and allowed their opponents to score a touchdown, which was all the scoring done in the contest.

Patton was clearly outclassed and has no apologies to offer, but would like another chance at the same aggregation after the wounded members of the team recover sufficiently to play again.

Following is the line-up of the teams:

Ebsenburg's Position.	Patton's	
Sottmyer	left end	Yeckley
Hartmann	left tackle	Mitchell
Fessler	left guard	Fogerty
Brown	center	Dierrick
Hershbarger	right guard	Bezer

FIRE AT SPANGLER.

Two Storehouses, a Dwelling and Barber Shop Were Consumed.

A fire at Spangler last Wednesday about noon resulted in the destruction of property valued at about \$3,500. It started in the residence of Richard Wetherston and was not discovered until the upper story was all ablaze.

The flames were soon communicated to the building occupied by Max Schiffman as a store and dwelling, and in which Andy Kuzima also resided; and then followed quickly the building occupied by C. H. Lantz with store and dwelling; then the shop of Barber Nuttall. By heroic efforts the dwelling house of Joseph Wyland was saved from the flames and the fire controlled.

The first two buildings mentioned were the property of I. N. Rodney and were valued at \$2,000, with but a slight insurance. The other building and barber shop were the property of David Lantz, of Hastings, with a probable value of from \$700 to \$900, with no insurance. The other losses are estimated: R. Wetherston, household goods \$175; Max Schiffman, store goods, \$300; C. H. Lantz, groceries and confectionery \$100; Andy Kuzima, \$50. None of those had any insurance. The total loss was from \$3,200 to \$3,500.

The fire is supposed to have originated from a defective flue.

MAGEE AVENUE BRIDGES!

Petitions to be Presented to Judge and Commissioners.

M'CORMICK OF COUNCIL

Is Responsible for the Move to Transfer an Old One and Have the County Build a New One—Petitioners Secure Many Signers for Both the Projects.

The following petitions, which are self-explanatory, have been circulated this week by Councilman McCormick and have been numerously signed:

To the Honorable, the Commissioners of Cambria county.

The petition of the undersigned residents of the borough of Patton respectfully represent:

That the county bridge across Chest Creek on Magee avenue, in Patton borough, near the P. R. R. depot, is entirely too narrow to meet the requirements of public travel, and a bridge the full width of the street (40 feet), is needed at said point. And that a new bridge is greatly needed across Little Chest Creek on Magee avenue, the old one being greatly decayed and dangerous to public travel.

That the old bridge across Chest Creek would meet the requirements as a bridge across Little Chest Creek at the point above named. We therefore ask you to construct a bridge of the width of forty feet over Chest Creek, and move the old bridge and locate the same over Little Chest Creek on Magee avenue.

To the Honorable A. V. Barker, Judge of the Court of Quarter Sessions of Cambria county.

The petition of the undersigned, inhabitants of the borough of Patton, county of Cambria, State of Pennsylvania, respectfully represents: That a bridge is much wanted over Little Chest Creek, at the place where Magee avenue crosses said Creek, about six hundred feet west of Fifth avenue, in said borough of Patton, the old bridge there being a wooden bridge, and so greatly decayed and damaged that it is unsafe for public travel, and the creek bed too deep to be forded; and that the expense of erecting said bridge would be too heavy and burdensome upon the inhabitants of said borough.

Your petitioners therefore pray your honorable Court to appoint proper persons to view the premises, and to take such order on the subject as is required and directed by the Acts of the General Assembly in such cases made and provided. And they will ever pray.

WATCH PRESENTATION.

County Superintendent the Recipient, and the Teachers the Donors.

The Cambria county teacher's institute adjourned sine die on Friday afternoon. The principal feature of the last day was the presentation to County Superintendent T. L. Gibson of a fine gold watch and chain as a mark of the esteem of the teachers of the county.

The presentation was made by Prof. S. M. Bentz, of South Fork, in a speech highly complimenting Prof. Gibson upon the work he has done during his term as superintendent, which is now drawing to a close, this being Prof. Gibson's last county institute. Prof. Gibson was astonished, but thanked the teachers most heartily for the handsome gift.

The auditing committee in its report showed a balance on hand from last year of \$52.79, receipts this year of \$1,144.20, making a total of \$1,197.99. The expenditures were \$1,121.40, leaving a balance in the treasury of \$30.59.

Mending Their Ways.

The noticeably nearer approach to running on schedule time made of late by the New York Central is said to be due to governmental intervention. Rumor hath it that as mail carriers failing in the duty of handling the matter committed to their care with due promptness, the N. Y. C. was called up, or called down, by the post-office department and have mended their ways. We cannot vouch for the truth of this rumor, but the reform in running is true beyond a doubt.—Phillipsburg Ledger.

—Is this your paper?

A man from Coalport said to me on Monday last, "There is no use talking Bell, you have the up-to-date stuff of this section."

At the time, he was looking in our show window at the Neckwear, Sweaters, Shoes and Mufflers displayed there.

Well we know it. If a man has a good horse he isn't afraid to say so. Neither are we afraid to talk shop—no one sweeps the snow from our sidewalks but us.

We have an up-to-date store. A bang up big stock of fixings in this line and we want you to know it, you who do not come here.

We sell a lot of men's suits made to order. They fit as well as any suits can fit. The main point of this thought is that we save you from \$4.00 to \$8.00 on any suit made by us. We sell the best people in 4 counties clothing to fit. Can't we sell you? Try us once. We will gain your trade.
