CONSERVATISM has been the watch word at the miners convention at Indianapolis and the deliberations of that large body of intelligent working men have done much to elevate the order in the minds of right thinking people.

This complete and unanimous exoneration of President Mitchell at the hands of the delegates at the National miners convention was no less deserved than it was gratifying to his large circle of rapidly growing friends. The "sensational" charges preferred against him were only sensational in the manner which they were presented by a hysterical and embittered woman, and could not stand the clear light of the full and complete investigation given them. President Mitchell is stronger with the organized miners than ever before.

A Profitable Investment.
"I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol dyspepsia cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol dyspepsia cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol dyspepsia cure cures all stomach troubles. C. W. Hodgkins, Patton, and Hastings Pharmacy.

A Prominent Chicago Woman Speaks.
Prof. Rosa Tyler, of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's cough remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend asked me to try Chamberlain's cough remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by C. W. Hodgkins, Patton, and Hastings Pharmacy.

The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute cough cure handy. At this season especially it may be needed suddenly. C. W.
