THE MAN WHO DOUBTS

EVERY year, with the first robin, comes the man who doubts. He "don't believe" he can get a ready-to-wear suit that will fit him; he "don't believe" our advertisements; he don't believe anything or anybody—and yet the chances are ten to one he goes out with one of our Spring Suits on his back.

Why? Because there is profit in our stock to convince the most confirmed unbeliever. There's style here. There's beauty. There's care in make. There's artistic tailoring. There's proper finishing. There's good material. There's a guarantee. And, best of all, the prices are there, proving themselves, in every case, below the figures of other stores.

We want the man who doubts to come in and see some of the novelties we are showing in

SPRING SUITS.

Reader, if "thou art the man," come in and see what we have in store for you.
