**HOME HAPPENINGS.**

—Indian winter.

 —A snow squall was one of the novelties in Patton on Wednesday.  
 —Roy Brillhart and Miss Maggie Farrel drove to Barnesboro to-day.  
 —The Ebensburg fair will be held this year on August 26, 27, 28 and 29.

 —A large number of Patton people will visit Carrolltown on Sunday to witness the Corpus Christi ceremonies.  
 —Weakland & Ryan have put an additional delivery wagon on the road and purchased a handsome new team of horses.  
 —Jesse E. Dale, S. K. Snyder and E. Will Greene were in Ebensburg on Tuesday. Of course they went on business.  
 —Rev. S. A. Potter, the Episcopal clergyman, is in a hospital in Philadelphia recovering from the effects of a surgical operation.  
 —The executive committee of the Cambria County Pomona Grange is making arrangements to hold the next quarterly meeting at Plinton on June 18th and 17th.  
 —The reports read at the I. O. O. F. grand lodge at Erie show that there are 1,006 lodges in the state, with a membership of 115,500. The expenses last year were \$679,000.  
 —Attention is directed to the new advertisement of P. M. Swoope, of Chest Springs, in this issue. He handles lumber of all kinds and makes a specialty of shingles.  
 —H. P. Galer, the general sales agent for the Central Supply Co., has moved his family here from Mahaffey and occupies one of the new Denlinger houses on Fifth avenue.  
 —Jas. Somerville, of Susquehanna township, was in town on Monday interviewing the voters. Mr. Somerville is a candidate for the Republican nomination of poor director.  
 —June 14 will be flag day, the anniversary of the adoption of the stars and stripes as the emblem of the United States. There should be a liberal display of flags on this occasion.  
 —Gil Robinson, one of the proprietors of the John Robison circus, was in town Friday. Mr. Robinson states that their big show will exhibit in Patton some time in the early fall.  
 —Rev. T. J. Bradford, of Laporte, occupied the pulpit of the Baptist church on Sunday, both morning and evening. He will be one of the speakers at the Memorial Day services.

 —Vol. 1, No. 1, of the North Cambria News was issued at Hastings last week. As the COURIER was not fortunate enough to be on its exchange list, we are unable to judge of its merits or demerits.  
 —Under the wise management of the present efficient officers the local G. A. R. post is now in a better financial condition than ever before. An even one hundred dollars is now on the credit side of their ledger.  
 —"Shoe Talk" forms the subject for the advertisement of the Keystone Clothing Co. in another column. The stock is large and full of variety and the price is right too. If you have any doubt about it read the ad.

—Lost—A red cow with white spots on front leg and shoulder. Both horns broken. Left my premises on Saturday, May 24th. Finder will please communicate with the undersigned.  
 JACOB BOBACK, Patton, Pa.  
 —John L. Evans, of Veters, a prominent candidate for the Republican nomination for county commissioner, was in town Wednesday. Mr. Evans is the only Republican announced from the north of the county and is entitled to the support of the party from this section.

 —Chas. C. Greeninger, of the Kirk Hardware Co., is in the Presbyterian hospital in Philadelphia for treatment. It is thought that he has appendicitis, but the disease has not developed sufficiently as yet to guarantee a correct diagnosis.  
 —To-day is the festival of Corpus Christi in the Catholic church. In the United States the observance of the day has been transferred to the Sunday following. In European and South American countries the day is a holiday with processions, etc.  
 —The Beech Creek road broke its record one day recently by hauling on its single track within eight hours 1830 cars. Of these 931 loaded and 899 empties went eastward and 387 empties and 63 loaded went westward. The best previous record was 1714.  
 —Another case of smallpox, has developed at Barnesboro. Dr. O. T. Holfrick, who was given in charge of Dr. J. Sloan Miller of that place, a victim of smallpox, has himself been taken down with an attack of the dread disease. The attack is said to be very virulent. The authorities are naturally alarmed over the matter. Dr. Miller is now convalescent.  
 —Under its proper heading will be found the announcement of E. E. Hohmann, of Johnstown, as a candidate for the Republican nomination of member of assembly. Mr. Hohmann is a native of this county, a prominent merchant of the Flood City and in every way qualified to fill the position he seeks. He is entitled to and probably will receive the endorsement of the Republicans of Patton at the primaries.  
 Don't Start Wrong.  
 Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute cough cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute cough cure is the best cough medicine I ever used," says J. H. Bowles, Groveton N. H. "I never found anything else that acted so safely and quickly." C. W. Hodgkins, Patton, and Hastings Pharmacy.  
 Like a Drowning Man.  
 "Five years ago a disease the doctors called dyspepsia took such hold of me that I could scarcely go," writes Geo. S. Marsh, well-known attorney of Nacoma, Texas. "I took quantities of pepsin and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble. C. W. Hodgkins, Patton, and Hastings Pharmacy.  
 Spring Alliances.  
 There is an aching and tired feeling; the liver, bowels and kidneys become sluggish and inactive, the digestion impaired with little or no appetite, no ambition for anything, and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter there has been an accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and by its tonic effect, fully restore the wasted tissues and give strength in place of weakness. 60c at C. W. Hodgkins.  
 G. A. R. Encampment.  
 For the benefit of those desiring to attend the annual encampment of the Grand Army of the Republic, Department of Pennsylvania, at Gettysburg, June 4 to 5, the Pennsylvania Railroad Co. will sell excursion tickets to Gettysburg from all stations on its line in the state of Pennsylvania, on May 31, June 1, 2, 3, 4 and 5, good to return until June 7, inclusive, at rate of a single fare for the round trip.
