It will entirely cure the worst forms of Female Complaints, all Ova-rian troubles, Inflammation and Ulceration, Falling and Displacement of the Womb, and consequent Spinal Weakness, and is peculiarly adapted to the Change of Life. It has cured more cases of Backache and Leucorrhom than any other remedy the world has ever known. It is almost infallible in such cases. It dissolves and expels tumors from the Uterus in an early stage of developments and change are tendence to concerns humors.

of development, and checks any tendency to cancerous humors.

Irregular, Suppressed or Painful Menstruation, Weakness of the Stomach, Indigestion, Bloating, Flooding, Nervous Prostration, Head-ache, General Debility quickly yields to it.

Womb troubles, causing pain, weight, and backache, instantly re-lieved and permanently cured by its use. Under all circumstances it exciting acts in harmony with the laws that govern the female system, and is as harmless as water.

It quickly removes that Bearing-down Feeling, extreme lassi-tude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, Dizziness, Faintness, sleeplessness, flatulency, melancholy or the "blues," and backache. These are sure indications of Female Weakness, or some derangement of the Uterus, which this medicine always cures.

Ridney Complaints and Backache of either sex the Vegetable Compound always cures.

No other female medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles.

Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want -a cure. Sold by Druggists everywhere. Refuse all substitutes.

was on, and the boys watched it strainingly, Harry with never failing interext, the brothers almost in terror. They had never before seen the dreader ratiler.

Like a flash of light, the snake launched itself forward and its head struck the sward a good seven feet from the spot where it had been coiled. but with equal rapidity the cock had heaped a yard aside. No human eye could follow this stroke or its avoidance. One instant the reptile was bunched, and the bird nearly stationary. In half the next instant the repthe was at full length, and the bird out of danger. It is the weakness of the rattler that it must coil before it can resume the attack. It endeavored immediately to

recoil, but was not fast enough. With a lightning spring, the palsano alightod squarely upon its neck, two inches because you won't be talking and you'd below its head.
