GROWTH OF ADVERTISING

A sensible editorial on advertising in the Harrisburg Patriot contains food for thought on the part of the busin nen of Patton. It says:

Some business men are still hesitatng over and debating with themselves Striking Shoe the old question, "Does newspaper adrertising pay ?" Just as the proof of the pudding is in the esting, so the proof that advertising space pays is in the amount of space now devoted to this method of spreading business in-

vertising within the past decade has at greatly reduced prices. been remarkable. Every progressive merchant now uses one newspaper or We have a more to set forth the virtues of his goods. The merchant who a few years me time. It were better to be a "has ago used one column for advertising purposes now buys his space by the page. And it is worth noting that of Men's Women's and Our Democratic editorial brethren the more newspaper advertising a
