 Readers of the Pittsburg Dispatch Made Happy.
 The New Year's number of the Pittsburg Dispatch was a great treat to its many readers. It consisted of 32 pages (just think of it!) containing a complete resume of events of 1902, accurate and reliable. It was not only of interest to the hundred of thousands of Dispatch readers in the Pittsburg territory, but invaluable to all; no matter where, for it was a ready reference to thousands of useful and interesting items. Undoubtedly it was the best number of its kind ever published and one which could be issued only by one of the greatest journals in the United States.
 No wonder the Dispatch enjoys the largest circulation of any Pittsburg paper! It is the only 2c morning paper published in that city, and that partly accounts for its wonderful popularity. The people know it pays to buy the best, and it holds good with the Dispatch, for very few think of trifling 4 cents difference (the daily being only 10c by the week.)
 Those who are not taking the Dispatch should at once subscribe, as they will not regret it. When you do subscribe ask Frank Kinkoad to send and get you a copy of that great Review Edition. It alone is worth the price of a six months' subscription.
 Pittsburgers should be proud of their great paper.
