

SEVERE ATTACK OF GRIP.

When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy.

Every seven days the blood, muscles and bones of a man of average size lose two pounds of worn-out tissue.

The greatest danger from colds and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's cough remedy taken, all danger will be avoided.

Recent experiments, by practical tests and examination with the aid of the X-Rays, establish it as a fact that catarrh of the stomach is not a disease of itself, but that it results from repeated attacks of indigestion.

For ten years I had chronic bronchitis so bad that at times I could not speak above a whisper, writes Mr. Joseph Coffman, of Montmorenci, Ind.

PRICE 50c. and \$1.00. Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite.

Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion.

This is called Catarrh of the Stomach. Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour eructations, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Kodol Digests What You Eat. Make the Stomach Sweet. Bottles only. Regular size, \$1.00, holding 2 1/2 times the quantity, which costs 50 cents.
