A VALUABLE PUBLICATION.

The Pennsylvania Railroad 1903 Summer Excursion Route Book. On June 1 the passenger department of the Pennsylvania Railroad Co. published the 1903 edition of the Summer Excursion Route Book.

The cover is handsome and striking printed in colors, and the book contains several maps, presenting the exact routes over which tickets are sold.

This very interesting book may be procured at any Pennsylvania railroad ticket office at the nominal price of ten cents, or upon application to Geo. W. Boyd, assistant general passenger agent, Broad street station, Philadelphia, by mail for twenty cents.

A Surgical Operation. is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases.

CHALLENGE FROM JOHN A. GUNN.

John A. Gunn is seeking the worst case of dyspepsia or constipation in Patton to test Dr. Howard's new specific for the cure of those diseases.

There is no need of suffering with constipation, dyspepsia or liver disease when you can get sixty doses of a scientific medicine for their cure like Dr. Howard's specific for the small sum of 25 cents.

Catarth of the Stomach. When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causes the glands to secrete mucus, instead of the natural juices of digestion.

When you are suffering from rheumatism, the kidneys must be attended to at once so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose.

The Foundation of Health. Nourishment is the foundation of health—life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues.

No False Claims. The proprietors of Foley's Honey and Tar do not advertise this as a "sure cure for consumption." They do not claim it will cure this dread complaint in advanced cases, but do positively assert that it will cure in the earlier stages and never fails to give comfort and relief in the worst cases.

Just About Bedtime. Take a Little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs.

JUST A BIT OF LIFE.

A Pathetic Incident of the Pawnshops in the Metropolis. Sneaking into a small shop in an obscure and poverty ridden locality, the man who "went broke" at the races was realizing on a superfluous article of jewelry.

"How much do you want?" queried the unmoved pawnbroker monotonously. "Fifty cents," replied the woman, with a quivering lip and an eager look in her eyes.

"For your child," he said gently. "My child is dead," cried the woman, with a queer sob, and fled into the labyrinth of alleys and byways that shelters so much wretchedness.

Curious Mexican Laws. They have some very curious criminal laws in Mexico. For instance, it is twice as much an offense to mutilate the face of a woman as that of a man.

An Impudent Fraud. An impudent fraud was perpetrated upon a Manchester bank by one of its customers, who opened an account with some few hundreds of pounds.

Value of a Banister Face. An employee of the Chicago Tribune once found the fact that his face was familiar to the late Joseph Medill decidedly to his advantage.

One day he suddenly inquired what had become of the old night editor. "He's in Boston," was the reply.

Overwing Matches. The Belgian artisan spends his leisure in a very curious manner. He keeps a special cock for crowing, and the bird which can outcrow its fellows has reached the highest pinnacle of perfection.
