

Patton Courier.

ROY ESTON DECKER. ESTABLISHED 1893. TERMS OF SUBSCRIPTION. One copy, one year, in advance, \$1.00.

THE election will be four weeks from next Tuesday.

THE Oil City Blizzard regrets that there are men in this world who never tell the truth unless they are drunk, and they don't drink.

AN exchange wants to know why a woman always hires a neighbor's boy to go to the drug store for her when she wants bed bug poison.

ONE of our exchanges tells of "one of the mistakes of Governor Pennypacker." Here's richness. If the old fossil from the stone age has done anything but make mistakes since the gubernatorial chair was purchased for him the COURIER has failed to note it.

A PROCLAMATION has been issued by Superintendent of Public Instruction Schneider designating Friday, October 16th, 1903, as autumn Arbor Day.

THE new ballot to be used for the first time at the November election will be much smaller than the former "blanket," and instead of all the candidates for one party being under the party heading, the various candidates for each office will be under one head.

LETTER TO J. R. CORDELL & CO.

Dear Sirs: Messrs. Leachman & Edelin, Gratton, W. Va., had been selling a paint, which they thought well of, and this had occurred:

They had sold a customer 18 gallons of it to paint his house. A few years later, they sold the same man Devco lead and zinc the same number of gallons to paint the same house. He had seven gallons left.

The point of the tale is: 11 gallons Devco paints an 18-gallon house. Do you want to sell it? Of course, that isn't all.

Why does 11 gallons Devco go as far as 18 gallons of other paint? Because it is all paint, all true, no sham, and full measure.

Do you want to sell it? But that isn't all. Devco lasts longer. No, no, you haven't got to wait ten years to find that out. Ten thousand people know it. We've got their names. Our agents know them; they think a heap of Devco. There's no difficulty in showing your townspeople what to expect of Devco. \$10 will paint a \$15 house; and the paint'll last twice as long.

Do you want to sell it? Yours truly, F. W. DEVON & CO., New York.

Annual Track Inspection Next Week.

The annual track inspection of the Pennsylvania railroad has been fixed for Thursday and Friday of next week. The plan of procedure has been changed this year. Instead of having the engineers ride only on their division, most of them will be asked to make the entire trip from Pittsburg to Jersey City, so that they will be in a position to judge of the condition of the track on the entire system.

Catarrh of the Stomach.

When the stomach is overloaded, when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causes the glands to secrete mucus. Instead of the natural juices of digestion. This is called catarrh of the stomach. For years I suffered with catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure. J. K. Rhea, Coppell, Texas. Sold by Patton Pharmacy.

Treat your Kidneys for Rheumatism.

When you are suffering from rheumatism, the kidneys must be attended to at once so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose. R. T. Hopkins of Polar, Wis., says: "After unsuccessfully doctoring three years for rheumatism with the best doctors, I tried Foley's Kidney Cure and it cured me. I cannot speak too highly of this great medicine."

Just About Bedtime.

Take a Little Early Ewer—it will cure constipation, biliousness and liver troubles. Do Witt's Little Early Ewers are different from other pills. They do not grip and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by Patton Pharmacy.

Two Bottles Cured Him.

"I was troubled with kidney complaint for about two years," writes A. H. Davis, of Mt. Sterling, Ia., "but two bottles of Foley's Kidney Cure effected a permanent cure."

Bronchitis for Twenty Years.

Mrs. Minerva Smith, of Danville, Ill., writes: "I had bronchitis for twenty years and never got relief until I used Foley's Honey and Tar, which is a sure cure."

Why Other Medicines Have Failed.

take Foley's Kidney Cure. It has cured when everything has disappointed.

A. R. Bass, of Morgantown, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys. Was cured by Foley's Kidney Cure.
