The Pure Food Commissioner is Upheld in his Fight—Proceedings of the Meeting Held at St. Augustine Monday and Tuesday—Interesting Programs.

Cambria county Pomona Grange held their meeting at St. Augustine on Monday. The grange was opened in form, and after a song by the grange, the worthy master read a letter from Dr. Warren stating that his duties as dairy and food commissioner prevented his being present at the meeting.

The general business of the order was transacted and the master gave a talk on the benefits to be derived from the grange by young people. The sisters' hour opened at 2 o'clock with Mrs. Willis as mistress and Mrs. McCoy as overseer.

Mrs. Karlheim read a paper entitled "When Should the Farmer and his Family take their Vacation?" Miss Zita Sankter rendered a solo entitled "My Old New Hampshire Home." "Good Housekeeping" was discussed by Miss Kate Wharton and others. Many useful questions relating to home life were discussed. The sisters sang "Home Sweet Home" and the sisters' hour closed at 2:30.

The finance committee reported that the books of the grange are correct. The president of the P. of H. Fire Insurance company gave a short report of the condition of the company. Bro. Sheehan explained the proposed changes in the policies, providing that all articles insured shall be itemized. On motion the granges recommended the proposed changes.

"What the Grange has done for the Farmer," was ably discussed by Jos. McMillen. "Direct Legislation" was fully discussed by Frank Westrick and Alex Strittmatter. The institute work under the direction of the worthy lecturer was continued, while the officers of the 4th degree retired to another room where the Degree of Pomona was conferred on a class of applicants.

The evening session was public and well attended. The following program was rendered: Song, "The Waiting Time," by the Grange choir; opening address, introducing Assistant Secretary of Agriculture Martin. Secretary Martin's address was an able one and held the attention of his audience from beginning to end. Chorus, by St. Augustine church choir, entitled "Come Where the Lilies Bloom." A vote of thanks was tendered Secretary Martin for his presence at the meeting. Instrumental duet by Mary Diahart and W. L. Bebe. Closing remarks, Chorus, "Take my Love to Rosalie," by the church choir. The meeting adjourned.

TUESDAY MORNING.

This session was devoted to institute work. Resolutions were adopted commending the work of Dr. Warren in his fight against impure food, thanking Rev. Father Quinn for the use of the hall and the St. Augustine church choir for their contribution to the evening's entertainment, St. Augustine and Beech Grove granges for the arrangements made for the comfort of the members and effectiveness of the meeting.

"Pickling and Preserving Apples" was fully discussed by Frank Lumadue, also "Best Methods and Advantages of Underdraining" by Jos. Gauntner. After singing "Home Sweet Home" the grange closed.

The following resolutions were unanimously adopted: RESOLVED, That we highly appreciate and thank the people of Patton for the good will and entertainment tendered us during our picnic held on Aug. 10 and assure them that their hospitality shall be remembered by our fraternity. We also thank the editor of the Patton COURIER for the valuable work he did in making our meeting a success.

Ganzou was Arrested.

Louis Ganzou, the well-known labor leader, who addressed a mass meeting in Patton recently, was arrested at Monongahela Saturday evening on the charge of disorderly conduct and of obstructing the street. He was making a speech when arrested and was taken to the lockup and placed in a cell. Bail to the amount of \$40 was furnished by one of his friends, Marys Ostelliz. Mr. Ganzou claims that he had a permit from the mayor of the city to speak on the street, and that furthermore traffic was not blocked by reason of his speaking. Chief of Police Grainger has been asked to withdraw the charge, but has not yet decided what will be the best action to take.

—Born to Mr. and Mrs. Enoch Short on Thursday—a daughter.

PERTINENT PARAGRAPHS.

Fifty Painted Pencils Pertaining to People and Places.

—The Patton Athletic Association is now a thing of the past. The last meeting of the stockholders was held at the office of Parnell, Cowher & Co. Friday night and by a unanimous vote the lease for Athletic Park, all the indebtedness, accounts, etc., were turned over to the recently organized Young Men's Christian Association. In the future this organization will take the lead in the matter of sports. J. Edwin Parnell is chairman of the committee having that branch of the work in charge, which is a sufficient guarantee that it will be well done.

—The Acopon company is making arrangements for a bowling contest between the bowlers of Patton and Barnesboro for a purse of \$25. The games will be played some time in November and the teams will be composed of the eighteen men, nine from each place, who make the biggest scores at the Acopon alleys between this time and the date of the contest.

—Patton Fire Co. No. 1 have purchased the lot at the corner of East Magee and Fourth avenue of Geo. S. Good and have received a deed for the same. They paid \$1,500 for the lot. It is their intention to build an opera house thereon, work to commence in the early spring. The contract price for the play house will be about \$10,000.

—Borough Treasurer Jas. Mellon has received a check from Auditor General K. B. Hardenbergh, of Harrisburg, for \$301.18. This money is in payment of one-half the net amount received from a two per cent tax paid upon premiums by foreign fire insurance companies in accordance with an act of the state assembly.

—Much heavier in weight and with a better knowledge of the game, the All Stars did not have much trouble in defeating the Gallatin foot ball team at Athletic Park Saturday afternoon. The Gallatin boys were plucky players, but with all their efforts were unable to score, and the Patton team won by the tune of 10 to 0.

—The newly organized Y. M. C. A. foot ball team is practicing every evening by electric light at Athletic Park and is getting in condition to try conclusions with any amateur eleven in this section. Their first game will probably be with Gunn's All Stars. J. Edwin Parnell is the manager of the Y. M. C. A's.

—Walter Dale has moved into the house on Palmer avenue recently vacated by Geo. H. Curfman. Mr. Curfman's family have moved to Arcadia, where he is employed by the Beech Creek Coal & Coke Co.

—C. L. Forsberg, the "Across the Bridge" grocer, is erecting a three-story dwelling and store adjoining his present location.

STREW FLOWERS ON GRAVES.

Show People Remember the Dead Ones Killed in the Wreck.

After the performance of Walter L. Main's circus at Tyrone Thursday afternoon every employe of the show joined into line and, headed by the circus band playing a funeral dirge, marched to the Tyrone cemetery. Here, under the direction of Mr. Main, memorial services were held over the graves of two circus men who were killed in the wreck of the show train in 1892.

Thousands of persons who had attended the circus followed the procession and attended the exercises. Portions of scripture were read and one of the showmen delivered an eulogy on the dead. The graves were then strewn with a wagon load of cut flowers, brought there especially for that purpose from Philadelphia.

Card of Thanks.

Jas. Fisher and family desire to return thanks to all the friends who aided and assisted them with kindly ministrations during the illness and death of the wife and mother. Their sympathetic offices will always be held in grateful remembrance.

THE DEATH ANGEL.

Loving Wife and Mother Called to her Eternal Rest.

Mrs. Mary Ann Fisher, the wife of James Fisher, died at the family residence last Friday of typhoid fever, after an illness of but a few days.

Mrs. Fisher was a native of England and was born at Cinderford, Gloucestershire in 1867. She came to America fifteen years ago, residing at Elmora, Jefferson county, previous to coming to Patton six months ago. In addition to her husband she is survived by four children, viz: Herbert, aged 15 years; Gertrude, 12 years old; Rose, 9 years of age; and James, 6 years old. She had no other relatives in this country.

The funeral was held at the residence Sunday afternoon at 3 o'clock, conducted by Rev. E. H. Witman, of the M. E. church. Interment in Fairview cemetery.

Trinity Episcopal Church.

In Good's Hall Eighteenth Sunday after Trinity. Sunday school 10 a. m., Morning Prayer and sermon 11 a. m., Evensong and sermon 7:30 p. m., Rev. Lefford M. A. Haughwout, deacon in charge. The Bishop of Pittsburgh has appointed Mr. Haughwout to devote his entire attention to the work at Patton, and from this time on there will be regular Sunday services and a monthly visit of the Archdeacon. Miss Holiday, soloist of Trinity Episcopal church, Parkersburg, W. Va., has consented to take charge of the music during the present month. A special effort is being made to form a first-class and permanent choir. Everyone is cordially invited to attend the services. Will Settle the Trouble.

The trouble at the Ambsry mine of the Pennsylvania Coal and Coke company, formerly the Webster company, which was once considered likely to result in the calling out of several thousand men in this district, will be amicably settled in a day or so, it is expected. General Manager Eli T. Conner, of the company, in consultation with representatives of the men affected and of the United Mine Workers, agreed to submit the question of yardage to arbitration. One arbitrator will be appointed on each side, and if they cannot agree they will select a third, but this is not expected to be necessary.

Liquid Poetry.

That is what our pleased customers have seen fit to designate our fine and immense stock of whiskeys, wines, ale, beer, porter and cordials. Not all "wet goods" are liquid poetry, however. It's only the best and that drank by a discriminating public. That's the kind we keep. High grade liquors, either for medicinal purposes or for a beverage, is our long suit. It's the same with beer, ale and porter. Duquesne—that tells the story in a nut shell—best, purest, freshest—our own bottling.
