The jury commissioners evidently did not want a superior lot of intelligent jurors for the next term of court when they selected but two from Patton. But perhaps they expected this couple to lighten the whole lump.

We honestly believe there are more dogs in this town than any other place of its size in the state. They are not all thoroughbreds, either.—Lilly Signal. That's what every town in the state believes.—Altoona Mirror. But Patton can prove it.

A FIREMEN'S association ought to be organized by Patton Fire Co. No. 1. The state wisely provides a fund for this purpose and the fire laddies are justly entitled to it. There is no telling when one of them will become injured in the performance of his duty and a little financial assistance at that time will not be amiss.

The mining laws of the state have been compiled in pamphlet form by the Department of Mines. They will be printed in English and sent out to the English speaking population of the mining districts. Twenty thousand copies each will be sent to the anthracite and bituminous coal regions so that miners may familiarize themselves with the laws. Numerous copies have already been printed in the various foreign languages and distributed among the miners speaking those tongues.

The Johnstown Sunday Democrat, the first number of which appeared last Sunday, is just such a paper as could be expected by any one in the habit of reading the week day editions. The Baileys have a habit of getting out a little better paper than any other in their field and the Sunday Democrat is no exception. It is brim full of local news, in addition to the complete Associated Press reports, while a number of special articles written by local people enhance its value as an interesting sheet. Johnstown has long needed a good Sunday newspaper and that want is amply supplied by the Democrat. Here's success to the new venture. May its shadow and patronage never grow less.

CLOSING LOT SALE FOR 1903.

At Clearfield Steel and Iron Works, Hyde City, from October 12 to November 1.

A big sale of lots will be conducted at Hyde City, the new town at the Clearfield Steel and Iron works, by Matt Savage, the Clearfield real estate broker, which will eclipse all other previous sales in so far as prices and easy terms are concerned. It will close the public lot sales for 1903. Private sales after that. A special discount of 33 1/2 per cent will be allowed on all lots west of Robinson avenue. The finest home location in Central Pennsylvania for working men. Steel and Iron Works pay from \$1.00 to \$12 and \$15 per day. Hyde City is a good sized town already and not a year old. Visitors are surprised. A \$18,000 hotel (Hyde City Hotel) is going up as fast as Contractor Jones can push it. The B., R. & P. Railway, which owns \$150,000 stock in the plant, is now erecting a fine station 28x92 feet at foot of Hoover street. Over 400 hundred men are employed already.

All P. R. R. trains stop at Riverview station across the river from the steel plant and all trains on the B., R. & P., stop at Hyde City station in centre of town.

Don't wait until Oct. 12. You can get discount any day from now until Nov. 1. Get in and have first choice of lots.

The Clearfield steel and iron works are completed and have been running since Aug. 28.

Think of these terms: \$1.33 per month will buy a \$100 lot; \$5.00 per month a \$150 lot; \$8.66 will buy a \$200 lot, etc. If you go then and buy a lot and take a purchaser with you, you will get credit for one payment on your lot. If after one-half of the purchase price of the lot has been paid the owner should die, a clean deed will be given to his or her heirs, provided two payments are not due at time of death. No taxes until you get your deed. No interest except on deferred payments. If you get off the train at Hyde City go direct to the real estate office of Matt Savage. If you get off at Clearfield go to the Spirit office and he will drive you out to Hyde City. We believe here is a fine chance to make big money on a small easy investment.

LETTER TO JOHN A. GUNN,
Patton, Pa.

Dear Sir: We suspect you'd like the tale, how a woman beat two hardware dealers in Girard, Pa.

We tried our best to get those men to sell Devoe lead-and-zinc in that bright town; they failed. Reluctantly took Mrs. E. H. Bowman, druggist.

They said they couldn't sell paint for more than \$1.25 a gallon. Mrs. Bowman can. She has sold about all the paint that has been there since. She knew Devoe; had sold our artists' materials. Had some sense and force; besides she easily learned that cheap is dear in paint, and told the people.

Mr. Burt Young bought a gallon Devoe for rooms that had always taken a gallon of other paint; had half left.

Mr. E. H. Hiler, jeweler, painted Devoe, and says it goes further—no particulars.

Mr. John Hanna, grocer, thought it expensive before he bought it; brought back nearly half of his paint, and said it was the cheapest job he ever had.

Mrs. Bowman reports universal satisfaction. So much for a cheap-paint town with a bright woman in it.

Yours truly,
F. W. DEVOE & Co.,
New York.

Treat your Kidneys for Rheumatism.

When you are suffering from rheumatism, the kidneys must be attended to at once so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose. R. T. Hopkins, of Polar, Wis., says: "After unsuccessful doctoring three years for rheumatism with the best doctors, I tried Foley's Kidney Cure and it cured me. I cannot speak too highly of this great medicine."

Just About Bedtime.

Take a Little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by Patton Pharmacy.

Two Bottles Cured Him.

"I was troubled with kidney complaint for about two years," writes A. H. Davis, of Mt. Sterling, Ia., "but two bottles of Foley's Kidney Cure effected a permanent cure."

Bronchitis for Twenty Years.

Mrs. Minerva Smith, of Danville, Ill., writes: "I had bronchitis for twenty years and never got relief until I used Foley's Honey and Tar, which is a sure cure."

A. R. Baas, of Morgantown, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys. Was cured by Foley's Kidney Cure.

Why Other Medicines Have Failed.

Take Foley's Kidney Cure. It has cured when everything has disappointed.
