Cataract of the Stomach.  
When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causes the glands to secrete mucus, instead of the natural juices of digestion. This is called cataract of the stomach. For years I suffered with cataract of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure. J. R. Rhea, Coppell, Texas. Sold by Patton Pharmacy.

**The Pride of the Household!**  
What a time he has during the "awkward age" managing his hands and his feet! He'll forget all about them, though, when he finds himself rigged out in "Mother's Friend" attire. "Mother's Friend" Negligee Shirts and Blouses are the sort that make a boy feel pride in his appearance. They've such a jauntiness in their cut; in the dainty strength of their fabrics. No "cheap stuff" is found among them. Yet observe the little prices.
