PHILIPSBURG A CINCH.

Both Games in the Centre County Town Won by the Locals—Close Game With Osceola Wednesday and Waterloo for the Visitors Yesterday.

There isn't much to say about the base ball games at Phillipsburg last Friday and Saturday. The Centre county town was so clearly outclassed that comment is unnecessary. They narrowly escaped being shut out, and it was only in the last half of the ninth inning that Phillipsburg scored. Garvey was on the rubber for the locals and was only touched up for one hit while Fennell was hit almost at will. The score:

The second game would have been just as disastrous for Phillipsburg, if not more so, but for the fact that the Phillipsburg management requested the Patton boys to let up a little, which they were accommodating enough to do. Kelly was in the box for our own and was ably supported by Teufel. The latter is the new catcher for the locals as well as captain, and with Faye at short materially strengthens the team. The score:

In the first game with Osceola at Athletic Park Wednesday afternoon, a run meant the game. Osceola got the run. It was a pretty contest and purely a pitcher's battle. The locals could not solve Viebahn's delivery and only succeeded in getting two hits. Garvey also pitched a good game and was not hit hard, but at an opportune time. The details:

Jack McCormick's All Stars and the St. Boniface team combined could not have furnished a farce comedy half as ludicrous as the Osceola club did at the game at Athletic Park Thursday afternoon. How this team succeeded in beating the locals the day previous is beyond comprehension.

Our own certainly had their batting clothes on yesterday and pounded out fourteen runs from thirteen hits in seven innings, when the game was called on account of rain. Flory did the twirling for Patton and is credited with six strike outs, while but four hits were made from his delivery.

Nichols started to pitch for the visitors. He lasted one inning and was touched up for three hits and five runs. He was succeeded by Viebahn and what was done to the sandy haired and smiling Sunbury ex-pitcher was "a plenty." Among the casualties were three three-base hits and a two-bagger by Faye, a three-base hit by Frank McCarty, two two-base hits by Webb and a two-bagger by Flory. Viebahn was also an easy mark at the bat and was struck out thrice, or every time he came to bat.

BISHOP GARVEY'S TRIP.

Tells of his Interview With the Pope and of Places Visited.

The Rt. Rev. Eugene A. Garvey, bishop of the Altoona diocese, spoke very entertainingly of his trip to Europe at mass at St. John's Pro-cathedral in Altoona on Sunday morning. He told of his audience with Pope Pius X, whom he found to be an exceedingly plain and humble man, notwithstanding his high dignity as head of the church. The Pope made many inquiries as to the condition of the Altoona diocese and concerning the religious affairs in America in general. He seemed to be in possession of every detail of church government here as elsewhere throughout the world.

Referring to the Italians who have come to this country in such great numbers in recent years, and who have been at a great disadvantage because of the lack of Italian priests and Italian instructors, the pope said that the difficulty would soon be surmounted, as arrangements are being made to furnish Italians in America shepherds of their own tongue and nationality.

The Italians, he said, are not only a quiet, peace-loving and moral people, but they are distinctly religious and devoted to the church. It spite of poverty and lack of opportunity, the Italian peasant has in him, besides the artistic sense, patience, courage, industry and the other qualities that make good citizenship.

DR. MAC TAGGART ARRESTED.

Two Charges Against Him but Both Were Amicably Adjusted.

Dr. MacTaggart, the Barnesboro specialist, who recently made weekly visits here, was arrested in Connellsville Friday on charges of false pretense and of practicing as a physician without license or registration.

The false pretense charge grew out of the alleged business relations between Mrs. Mary Koval, of Hastings, and Dr. MacTaggart. Mrs. Koval alleged she went to Dr. MacTaggart in Hastings to be treated and was assured that for \$73, payable in advance, she could be cured. She says she paid the money with the understanding that the doctor was to visit her once a week until the cure was effected, and sued him because he failed to keep his contract.

Dr. MacTaggart says he is a graduate of the American Eclectic School of Medicine and is entitled to practice under the Act of Assembly of 1881. He says he is registered in this county. Both cases were settled Monday and the doctor released from custody.

NEWS FROM THE NORTH!

What Has Been Transpiring in This Vicinity.

NINETY-NINE YEARS.

Loretto Man Died who had Lived Almost a Century—Speed Program of the Carrolltown Fair—Charges by Cresson Italians Without Foundation.

Lacking less than a year of rounding out a century of life, Thomas Wills, of Loretto, died Tuesday. On the 7th of last June Mr. Wills celebrated the ninety-ninth anniversary of his birth. He died Tuesday morning at the home of his daughter, Mrs. Rebecca Baker, at St. Augustine, from diseases incident to old age. The funeral was held at Loretto Thursday.

The deceased was born in Allegheny township and was a life long resident of Loretto. For years he had lived with his son, John Wills, of that place, but last winter an outbreak of typhoid fever made it advisable to have him removed to St. Augustine. Besides Mrs. Baker and John Wills, the children already mentioned, the deceased is survived by another daughter, Mrs. Cecillia Haupt, of Nicktown.

Urbanus Reigle, aged sixty-seven years, also of Loretto, died at his home Sunday morning from stomach trouble. The funeral was held at Loretto Tuesday morning at nine o'clock. The deceased was unmarried and is survived by one brother, Joseph, of Allegheny township, and two sisters, Miss Eliza Reigle, of Pittsburg, and Mrs. Mary Sell, of Lilly.

Mr. Reigle was well known throughout the county and, it is said, died possessed of a considerable fortune which he had amassed by very careful living. It was from him that Charles M. Schwab last winter purchased the tract of land which adjoins his summer estate.

NO FRAUDS UNCOVERED.

Cresson Workman's Complaint has no Basis in Fact.

The investigations of District Attorney Leech and County Detective Ed Knee into the complaint filed by a Cresson Italian workman with President Roosevelt, as noted in a previous issue of the COURIER, in which it was alleged that fraud had been perpetrated against a number of workmen at Gallitzin, shows that there was nothing at all to the story.

The report of the district attorney was sent to Governor Pennypacker Monday. In the complaint it was stated that some twenty workmen had found it impossible to collect their pay. The truth of the matter seems to be that the contractor on the job, C. M. Dechart, had been unfortunate and had failed. He went into bankruptcy, owing his employes considerable money, but it is said that arrangements are being made to pay all of these men, Mr. Dechart surrendering all of his property.
