WAY TO TREAT HAY FEVER.

No Stomach Dosing, Just Breathe Hyomei—Stop Sneezing and Smarting.

O. F. Wolf is recommending to his customers as a cure for hay fever, Hyomei.

It is claimed for this remedy that it stops the spasmodic paroxysms, the sneezing, the smarting and running of the eyes and nose, and other acute symptoms of this disease.

Many persons have been cured of hay fever by Hyomei, and the discoverer of the remedy professes to be able to prevent both the occurrence of the annual attack and to stop the progress of the disease, even in the most chronic forms. O. F. Wolf's offer to refund the money if Hyomei does not do all that is claimed for it, is the strongest proof that can be given as to the confidence he has in Hyomei's power to cure hay fever. The complete outfit costs but \$1, for 50 cents.

—Will Patton have a foot ball team this year worthy of the name?

BEWARE OF SUMMER GERMS

Will Cause Sickness Unless Stomach is Strengthened With Mi-o-na

If the stomach is weak so that food does not readily digest in it, the food will become a sour, slimy, fermenting mass in the digestive organs, the ideal condition for germs to cause bowel trouble, diarrhoea, or other summer illness. The well known Mi-o-na will make the whole digestive system so healthy, clean and sweet that food cannot ferment, and any disease germs which may enter the stomach will be destroyed.

OUR NERVES

Are the mainspring of the human system. THE STOMACH AND BLOOD Nourishes the body, while the Liver, Bowels and Kidneys carry off the worn-out and impure matter. With these organs working natural we enjoy good health, but if they become disturbed, weakened or impaired, distress, misery, pain and disease appear. These important functions and organs can be kept strong, active and natural, and if disturbed, weakened or diseased can soon be made normal, active and well by the use of that most remarkable and wonderful restorative remedy
