

SOFT COAL STATISTICS.

Extracts From Chief Blair's Annual Report.

Robert O. Blair, chief of the bureau of industrial statistics, has made public an analysis of the facts and figures in advance of the thirty-second annual report of the bureau, and tells of the business of 1904 in pig iron, rolled iron and steel, tin and black plate, anthracite, cinn washeries, river dredged coal and bituminous coal industries.

In the bituminous production the comparison is made between the years 1903 and 1904, the first being the year following the strike of the anthracite miners. On this Chief Blair's report is as follows:

"The total number of net tons of bituminous coal mined and sold in 1903 was 101,113,290. In 1904 the amount mined was 97,490,708 tons or 3,622,582 net tons less. This decreased tonnage represents a market value of \$3,658,807.82. The average price of bituminous coal in 1903, following the strike year, was \$1.28 per net ton. In 1904 the average price was \$1.01. The persons employed numbered 345,880 people and earned \$78,857,602 in 1903, working an average of 134 days, and 146,330 persons earned \$66,134,195 in 1904, working an average of 204 days."

Ordinance No. 82.

An Ordinance authorizing the grading, paving and curbing of Beech avenue from Fifth avenue west to Sixth avenue, and providing for the collection of the cost of the same.

Section 1. Be it enacted and ordained by the Burgess and Town Council of the Borough of Patton, and it is hereby enacted and ordained by authority of the same:

That, whereas, two-thirds of the property owners, representing not less than two-thirds in number of feet of the properties fronting or abutting on Beech avenue between Fifth and Sixth avenues, in the Borough of Patton, have petitioned council, asking that said street be graded, paved and curbed, setting forth in said petition the reason therefor, and respectfully asking that the same be paved with vitrified paving brick or blocks.

Therefore it is enacted and ordained that said street, beginning at Fifth avenue and extending west to Sixth avenue, be properly graded, paved with vitrified paving brick or blocks and curbed to the width of thirty feet between curbs.

That grading, paving and curbing be done according to plans and specifications of the Borough Engineer, which plans are hereby approved and made a part hereof, and that said work be done under his supervision, as well as that of the Street Committee.

Section 2. That the grading, paving and curbing shall be done by contract. Contract to be advertised and let to the contractor who submits the lowest bid, offers the best terms and who submits a bond for the faithful performance of his duties under the contract.

Section 3. That the cost of grading, paving and curbing the same be ascertained and charged and assessed to the Northern Cambria Street Railway company, according to their franchise and ordinance with the Borough of Patton, and the balance to the property owners adjacent to the same and the Borough of Patton according to Act of Assembly dated the 23rd day of April A. D., 1889.

Section 4. The Borough Engineer is hereby directed to advertise for bids for the grading, paving and curbing of said street according to plans and specifications prepared or to be prepared by him, and to report the bids received by him to the Burgess and Town Council at a time to be hereafter designated.

Enacted and ordained this 16th day of October A. D., 1905.

H. S. LINGLE,
President of Council.

Attest:—

ED. S. MOORE,
Borough Secretary.

Approved this 20th day of October A. D., 1905.

W. J. DONNELLY,
Burgess of Patton Borough.

MOST PLEASANT HOMES

Homes that are always comfortable, are the ones we have equipped with either a

HOT WATER

OR

STEAM HEATING

system. With these systems your home is always of an even temperature, the coal bills are lower and the general confusion and dirt incident to attending to coal fires is eliminated. Your neighbor can tell you of their advantages and we will tell you of the price, if you'll drop us a line.

JOHNSTOWN SUPPLY HOUSE,

Johnstown, Pa.
Lincoln Building.

PROMPT DELIVERIES

are as much a part of our service as selling good meats. No matter what time you order your

CHOPS OR ROASTS,

they will be there. It's only one of the things we try to do better than any one else. Others are the handling of choice meats only, the giving of full weight and the charging of very moderate prices.
