The greatest tonic on earth is a good night's rest. Restless nights and the terrible exhaustion of a hacking cough are dread dangers of the poor consumptive.

But why this fear of the night when a few doses of Dr. Boschee's German Syrup will insure refreshing sleep, entirely free from cough or night sweat? Free, expectation in the morning is made certain by taking German Syrup.

We know by the experience of over thirty-five years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders.

Is being used more extensively each year. Why? Because it is the most economical user of fuel, furnishes a greater volume of heat and is decidedly cleaner than any other systems now in use. Ask your neighbor. He knows about it.

Advertising

consists simply in presenting before the people the goods you have to sell in an intelligent manner, whether it is a house and lot or a pair of shoes. It is too late at this day to expatiate on the merits of advertising. That has been demonstrated so often that iteration is futile. Everybody now days knows that advertising pays. The main question is, what medium to use? Advertising experts long ago settled it by declaring that newspaper advertising was by far the most effective and brings better returns than any other extant. The merchants of this section long ago declared that better results were obtained by using the COURIER than by any other means. It is read every week by hundreds of families and goes into the homes of the majority of the people of Northern Cambria county. The rates are low, just and equitable—one price to all and the small advertiser gets just as good a rate as the large one.

If your business needs a tonic, come in and let us talk the matter over with you or send us word and we will have a representative call on you and explain everything about our plan. You may do business without advertising, but you are certain to do more by advertising. It is an investment that will repay you an hundred fold.

We will prepare your copy and take complete charge of your advertising campaign, however large or small, without extra cost.
