Regret His Departure.

The Rev. Joseph F. Anderson, for several years past the successful pastor of Simpson Methodist Episcopal church, left the city with his family at 4 o'clock Thursday afternoon for his new field of labor at Patton. Mr. Anderson made a host of friends here by his christian character and gentlemanly deportment and all are sorry that the fortunes of the itinerancy have sent him out of the city to another pastorate. The Tribune unreservedly commends him and his worthy family to the confidence and good will of the people of Patton. And it sends with Mr. Anderson its appreciation of the thoughtful and courteous manner in which he treated its representatives upon very many occasions during his residence here, and its sincere hope that his new home may prove congenial in every respect and that he may come to the close of the conference year feeling that he has been able to do a good work.—Altoona Tribune.

ARTIFICIAL LIMBS.

Those in need of artificial limbs, braces, etc., should write to J. W. Thompson, the veteran manufacturer of Pittsburgh. He was in our town and vicinity this week and measured a number for limbs, among the rest Mrs. Wm. Gauntner, of tippie No. 3. Mr. Thompson has been in this line of business for 36 years and uses an artificial leg himself. He will be back to take other measures for limbs and braces in a few weeks and those wishing to consult with him in regard to such appliances should address him in the meantime.

J. W. THOMPSON, Box 710, Pittsburgh, Pa.

Letter to Wm. Gill. Patton, Pa.

The police are finding us out.

Officer L. H. Pinney, of Erie, Pa., painted his house Devoe, perhaps two or three years ago—the tale don't tell when—the painter objected, but Pinney insisted.

Two neighbors of Pinney's have painted since; one lead-and-oil, the other some other paint, don't know what.

But Officer Pinney lives in the nicest painted house of the three. The rest of the story we don't know; what it cost the three to paint. We can guess; about half for Officer Pinney.

F. W. DEVOE & Co. P. S. Binder & Starrett sell our paint.

HOW JAPS KEEP STRONG

Courier Readers Can Learn Something of Value From This.

Such a thing as a weakening is hardly known in Japan. The wonderful endurance of the Japanese soldiers and sailors in the recent war has been the marvel of all nations. Both men and women are well, happy and strong.

The reason for this, so careful investigations tell us, is that the Japanese from childhood up know how to keep well through care of the digestive system. If they have trouble with indigestion, heartburn, wind on the stomach, loss of appetite, sleeplessness, headaches, rheumatic pains, back-aches or any of the other troubles caused by a weak stomach, they treat themselves with some of the principal remedies that compose Mi-on-a, a stomach remedy that has a large sale in Patton at O. F. Wolf's.

So uniformly successful has the remedy been in curing all stomach troubles when it is used in accordance with the simple directions given with each box, that O. F. Wolf gives a signed guarantee with every 50 cent package to refund the money if Mi-on-a fails to benefit.

This is the first, last and final notice. A word to the wise is sufficient. BY ORDER PATTON BOROUGH COUNCIL. Patton, Pa. April, 12, 1906.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

Any Man or Woman can transform a soft wood floor into a perfect imitation of a beautifully grained hard wood floor in a few minutes with Chi-Namel and the Chi-Namel Self-Grainer. Or an old hard wood floor, furniture, etc., may be made to look like new with a harder, more durable finish than it had originally. Chi-Namel colors the wood, and varnishes it at the same time, and the surface is so hard that walking or washing will not remove the gloss. This new self-grainer makes it easy for anyone to produce a beautiful grained effect, exactly like the most expensive hard wood floors. Call at our store and allow us to demonstrate how easy it is to grain and varnish by this improved system. Free samples while they last.
