INDEPENDENT — NOT NEUTRAL — RUN BY THE PUBLISHER.

GOOD PLAYERS SIGNED!

Patton Ball Team is in Excellent Shape.

WHO WILL PLAY HERE.

Names of the Artists Engaged and Where They Will Come From—Some Good Games Already Scheduled—Opening Contest is Booked for Monday, June 4.

In spite of and notwithstanding the strike, Patton will have a crack professional base ball club this season, composed of all paid players, and a bunch of artists have been signed who look good to the expert fans.

Manager Gillicee is of the opinion that the strike will not materially affect the sport, but per contra the people will have more time to attend the games and will give them good support. Arrangements are being made for the opening of the season and a schedule made with good clubs as fast as possible.

The reputation Patton acquired last year will go a good ways in securing clubs here this season that have good reputations, while the out of town games will be with clubs among the fastest in the state. Athletic Park has been put in excellent condition, the sod scraped from the ground and other noticeable improvements made. Considerable money has already been secured with the promise of more, and season tickets are being sold that will entitle the holder to witness all games played on the home grounds.

The season will be formally opened the first week in June with the Cuban Stars, of Havana, Cuba, as the visiting club. The Stars are all native Cubans, who put up an excellent quality of base ball, and ought to be a good drawing card. A preliminary game may be arranged for Decoration Day with the newly organized Carrolltown team.

Manager Gillicee has already signed the following players and negotiations are pending for one or two more:

E. R. Smaltz, of Pittston, captain and first baseman.

Keimer Kelly, of Williamsport, catcher.

John Cavanaugh, of Patton, pitcher.

W. D. Dixon, of Philadelphia, pitcher.

David Bennett, of Scranton, pitcher and right fielder.

J. C. Simpson, of Dickinson college, Carlisle, second baseman.

Allen Rondebush, of Cincinnati, O., short stop.

A. D. Adams, of Apollo, third baseman.

Frank Flory, of Williamsport, pitcher and left fielder.

Thomas McCrossin, of Madera, center fielder.

Allie Buck, of Carrolltown, pitcher.

Thomas Fitzgerald, of Patton, catcher.

Ralph Berger, of Susquehanna university, Selinsgrove, pitcher.

Roy Duff, of Freeport, second and third baseman.

LATER:—Manager Gillicee received word this noon that the Cuban Stars will play here on Monday, Tuesday and Wednesday, June 4, 5 and 6, and also on July 9, 10 and 11. The Cuban X Giants will be here June 19, 20 and 21 and the Havana club of Cuba on August 21, 22 and 23 and September 10, 11 and 12.

THE REAPER DEATH.

Old and Young Alike are Cut Down by His Scythe.

Anselm Raymond Shettig, son of Adam S. Shettig, of Carrolltown, died last Thursday morning in a hospital at Pueblo, Col., of tuberculosis of the stomach. He was 29 years of age.

He was a brother of Mrs. Walter J. Weakland, of Patton, and John S. and Ambrose Shettig, the Ebensburg hardware dealers, and is survived by the following other brothers and sisters: Albert C., of Cresson; Mrs. Annie, the widow of the late John Snyder, of Gallitzin; and Henry J., of St. Marys. The young man left Ebensburg about seven years ago on account of falling health. His brother, John S., of the county seat, was at his bedside when he died. The remains were brought home Thursday and the funeral was held in the Catholic church at Carrolltown with interment in the church cemetery.

Jacob Krug, aged about 94 years, one of Northern Cambria's pioneer residents, died Saturday near Nicktown from diseases incident to old age.

He was born in Germany, but came to Cambria county when but seven years of age and practically spent his entire life in Barr township. He was survived by these children: George and Frank, of Ebensburg; Henry, of Barr township; and Elizabeth, wife of Emmet Mitchell, of Ebensburg. Some 21 grandchildren also survive.

Joseph Almasi et ux to John K. Reseter, lot in Susquehanna township, \$30.

HELD UP AGAIN.

Trolley Company Compelled to Abandon Work in Carrolltown Borough.

The Northern Cambria Street Railway company has again been compelled to abandon its work in Carrolltown on account of the siturionism of some of the residents of that ancient burg, and the construction of the street car line into the heart of Carrolltown from the fair grounds has been temporarily discontinued.

P. L. Elk threatened to secure an injunction against the street car people because they were violating the terms of their franchise in locating their track seven feet nearer his store than it was to the store of a merchant on the other side of the street.

While a small matter, and one that would be overlooked in a progressive town, the company was technically violating their franchise in an effort to give better construction for the line.

Babe's Narrow Escape.

The passenger train on the New York Central railroad, which leaves Patton at 6:19 a. m., was rounding a bend near Lock Haven Tuesday when Engineer E. J. Morrison and Fireman Harry Hoover were horrified to see a little child aged about three years standing directly in front of the train. Morrison applied the emergency air brake, while Hoover sprang through the cab and down on the pilot to rescue her. As the train approached Hoover called to her to lie down, which was her only salvation. She promptly obeyed and the engine pilot escaped her by a couple of inches. The entire train passed over her and she was unharmed.

Preparing for Evictions.

The Pennsylvania Coal & Coke company has instituted an amicable action in ejectment against Zruna Falcatore, Frank Kerage, Andy Trikuvay, Alex Strinko, Robert Transton and Andy Crysall, all of Barnesboro. The plaintiff company alleges that all of these men were in the company's employ before the strike and that they occupy buildings owned by the company. Since the men refuse to go back to work the company claims that it must have the use of its houses for men who will work, notwithstanding the strike.

Farmers' Telephone Line.

At Harrisburg last week a charter was granted to the Nicktown and Ebensburg Telephone company, with headquarters at Veters, to have a capital of \$5,000, the following being directors: Port Davis, A. B. Kirsch, Nathaniel Good, John G. Lvmr, Harry Good, John Lute, Frank Long, Nicktown; R. S. Edwards, Veters; Eli Jones, Evans Griffith, Ebensburg; Frank Kirsch, Nicktown. The company will build a co-operative line between Nicktown and Ebensburg and a large number of farmers living on the route are interested.

Hubbard a Candidate.

William C. Hubbard, of this place, has announced himself as a candidate for member of assembly in the district outside of Johnstown, subject to the Democratic county convention. Mr. Hubbard has a host of friends in the north of the county and made a very creditable showing two years ago at the general election, when the big Republican vote in Johnstown had to be reckoned with. He is progressive and a man of ability who ought to be nominated.

NAMED THEIR CANDIDATES!

Cold Water People Nominate a County Ticket.

RESOLUTIONS PASSED.

They Comment Judge O'Connor and District Attorney Leech—Declaration of Principles—No One Named for Members of Legislature.

The Cambria county Prohibition convention held at Ebensburg Saturday nominated the following ticket: Sheriff—Thomas W. Hughes, of Munster township.

Jury Commissioner—W. D. Jones, of Cambria township.

Poor Director—F. O. Holsopple, of Portage.

Instead of nominating candidates for the general assembly, the following resolution was adopted:

Resolved, That the executive committee be constituted a returning board, with authority to make and certify nominations for representatives in the assembly and that said nominations be made after the nominations of the Republican and Democratic parties have been made and be extended to nominees of other parties who openly and publicly answer affirmatively all of the following questions:

First—Do you believe prohibition to be the best solution of the liquor question?

Second—Are you opposed to the liquor traffic?

Third—If elected, will you use your utmost efforts to secure the enactment of prohibitory laws?

Fourth—Do you desire nomination by the Prohibition party in addition to that of your own party?

If affirmative answers are not returned to all four of these questions by two such nominees before August 1, 1906, then the said executive committee may nominate one or more members of their own party to supply the lack. If more than two reply affirmatively, two shall be selected at the discretion of the board.

The above resolution was No. 7 in the report of the committee on resolutions and platform. Following is the report of said committee in full, excepting the aforesaid:

We, your committee on resolutions, respectively submit the following:

First—Resolved, We declare the liquor issue to be the paramount question before the voters of Cambria county, as well as the state and nation, and therefore stand for the complete prohibition of the legal manufacture of alcoholic liquors as a beverage.

Second—Resolved, We demand a two-cent passenger rate, without discrimination, and will vote for no legislative candidate who fails to openly declare himself in favor of the same, as well as the granting of trolley lines the right to carry freight and express.

Third—Resolved, We regret the increase of licensed liquor dealers in the county, but commend the course of the judge in demanding better enforcement of existing license laws; we also commend the district attorney in his efforts to the above end, as well as to prevent Sabbath desecration.

Fourth—Resolved, We declare in favor of a ballot based on intelligence, rather than sex.

Fifth—Resolved, We are heartily in favor of the removal of internal revenue tax on denatured alcohol.

Sixth—Resolved, We believe Homer L. Castle, of Pittsburg, is the logical candidate to lead the reform forces to victory in this state, and declare for his endorsement as the nominee for governor.

NO EXCUSE FOR CATARRH.

Worst Cases Quickly Cured by Hyomei—Guaranteed by O. F. Wolf.

There is really not the slightest excuse for anyone having catarrh, now that Hyomei is so widely known and so easily obtained. The worst cases of catarrh are quickly cured, simply by breathing the remedy through the pocket inhaler that comes with every outfit.

The complete outfit consisting of a neat pocket inhaler, a medicine dropper and a bottle of Hyomei costs only one dollar, while extra bottles can be obtained for 50 cents, making Hyomei the most economical, as well as the most reliable method for curing catarrh.

O. F. Wolf positively guarantees a cure when Hyomei is used in accordance with directions, or he will refund the purchase price.

A little thing like a strike can't dampen the enthusiasm of the average Patton base ball fan.
