

A BOON TO THE AFFLICTED!

No More Backache,
No More Suffering,
No More Sorrow.

THE SCIENTIFIC DISCOVERY OF THE AGE.

Not a new patent medicine, but a remedy that has stood the test of years and has never failed. It has cured others and will cure you. If not your money will be refunded. Isn't this a fair proposition? Read and reflect. Buy a box of

Wood's Kidney and Backache Pills

and if they do not do all that is claimed for them your money will be refunded and no questions asked. Remember it is not claimed that a miraculous cure will be effected by the use of one box, but it is a fact that the first box will work a decided improvement in your condition and the continued use cure the disease, no matter how deep seated or of how long standing. The ordinary case yields readily to one box and two or three knock the disease completely out of your system. Why suffer torments, when relief can be had so easily? If you are skeptical, remember it costs you nothing to give it a trial. Your druggist will cheerfully give you your money back, if it fails to effect a cure. Don't delay! Now is the time to act.

PRICE 50 CENTS PER BOX.

Wood's Kidney and Backache Pills are a purely vegetable compound and do not contain any calomel, mercury, creosote, cocaine, morphine, opium, strychnine or any other mineral and were discovered by scientific research and study by Dr. Wood, who has had over forty years experience in the practice of medicine.

They cure all diseases of the Kidneys, Bladder and Urinary Organs and can be taken by the most delicate patient and the results cannot help but be satisfactory.

Kidneys.

The Kidneys are in shape similar to an ordinary bean and are filled with delicate arteries and tubes whose work it is to filter from the blood the waste matter which they gather from the different parts of the body. This tissue waste is principally uric acid, which becomes a deadly poison when left in the system. The first sign of Kidney Trouble is

BACKACHE,

and if not attended to in time causes the following diseases: Rheumatism, Lumbago, Dropsical Swelling and Irregular Heart and General Urinary Derangements. Wood's Kidney and Backache Pills will remove all these diseases if taken according to directions.

Bladder.

For Bright's Disease or Inflammation of the Bladder attended with frequent urination, especially in the aged, it will be found invaluable.

Gravel.

It is a well known fact that these pills will hold the mineral constituents of the water in solution, thus preventing the deposit of the mineral products in the bladder, which is the prominent condition of the disease.

Diabetes.

This disease has been the cause of carrying thousands of people to the grave. It always gives warning of its approach and should then be checked by the soothing effects of this wonderful medicine.

READ CAREFULLY.

These pills have been trusted to prevent many diseases by keeping the system in healthy condition. The following are symptoms of Kidney Disease: Deposit or sediment in urine, bloody or highly colored or milky white urine, backache, aching pains over hips, swollen ankles, frequent desire to pass urine, voracious appetite, odor of perspiration, dry tongue, wasting of flesh and puffiness under the eyes.

It is rare to find two cases that have the same symptoms in kidney disease, as all the above symptoms do not appear in any one case. Any of the symptoms would indicate a disordered kidney and should receive prompt treatment with Wood's Kidney and Backache Pills. Kidney disease kills more people than any other known sickness. Patients can be assured of receiving quick results from the use of this medicine.
