Dear Sir: Here's the difference between two pure paints; one strong; the other weak.

C. P. Hanger, Va., painted two new houses exactly alike; one another pure paint, the other Devco. Devco cost a quarter less for paint and labor.

People generally are paying twice over for paint.

Yours truly, F. W. DEVCO & Co. P. S. Binder & Starrett sell our paint.

Get the Best Always.

It's the same with paint as with anything else. It always pays to get the best. The trouble is to know what is best. In paint we can tell you in a way that you will readily understand. With every gallon of Patton Sun Proof paint we give you a written guarantee good for five years. Could anything be fairer than that? If you are now or will soon be in need of paint, come in and let us talk it over with you.
