Pictures of Stuart and Emery Free to Their Followers.

Two handsome portraits, genuine photogravures, such as sell in art stores at \$2 each, the subjects being Edwin S. Stuart and Lewis Emery, Jr., candidates for the governorship of Pennsylvania, will be issued as art supplements to the Sunday North American for October 21 and October 28.

The Stuart picture will be issued on October 21 and that of Mr. Emery on the following Sunday.

The editor of this paper has received advance copies of the two portraits, and pronounces them works of art of the highest class. Nothing so good has ever been issued as a special supplement.

As the edition of the Sunday North American for these two dates will be limited and the demand unusually large, it will be necessary to order the paper in advance to insure delivery.
