DALE'S STATEMENT.

In the Johnstown Tribune on Monday appeared a signed statement by Jesse E. Dale entirely at variance with the contention of the COURIER in every issue since Mr. Dale was brutally and unceremoniously kicked off the Republican county ticket as a candidate for sheriff.

What motives actuated the late candidate to sign or write the statement in question the COURIER does not know, but the writer does know that by so doing the author has humiliated his hitherto warm friends beyond reparation and especially this paper, which from the time he was first mentioned as a candidate until the present writing has fought his battles, not with the hope of emolument, but because it thought that this section was entitled to political preferment and recognized in Mr. Dale a man who fittingly represented it and who by virtue of his services to his party, his sterling integrity, unquestioned popularity and eminent fitness for the position entitled him to the place.

The COURIER has no apologies to offer for the course it has pursued and does not retract one word, jot or tittle it has said in connection with Mr. Dale's retirement from the ticket.

Per contra, it now and here reiterates every word it has published in that connection. Jesse E. Dale was forced off the ticket for the sole reason that he could not and would not put up a corruption fund in keeping with the demands of the gang of Johnstown political grafters. That is all there is to it, all the statements bearing Mr. Dale's signature to the contrary notwithstanding.

Moreover, the COURIER is prepared to prove that every word it published since Jesse Dale was "crucified" is the truth, the whole truth and nothing but the truth, even if that gentleman himself has decided to "carry the cross."
 "More anon."

INDIGESTION A CRIME.

Don't You Want a Keen Appetite and Perfect Health Once More.

It is a positive crime to suffer with the ills of indigestion, such as headache, backache, sleeplessness, nausea, and distress after eating, with despondency and nervousness, now that the guaranteed Miona stomach tablets can be obtained from O. F. Wolf.

Use this remedy, and keen appetite, vigorous digestion, strong heart action, pure blood, nerves of steel and natural strength and health will be restored to you quickly.

Miona is entirely different from all other remedies that are recommended for the cure of indigestion, for it strengthens all the digestive organs and is not a mere digestive.

Ask O. F. Wolf to show you the guarantee he gives with every 50-cent box of Miona. The remedy will not cost a penny unless it cures.

A New Railroad.

The Jersey Shore Herald says that the new railroad line of the White Deer lumber company from near White Deer to Loganton is being rapidly completed and will be opened in a few weeks. The company now has its passenger coach on hand and are improving every part of the line. The bed of the road has been changed at several points, offering better grades, and the line now follows the pike closely from the old furnace to the western terminus. From the "rock oak" to a point between Mile and Lick Runs the road has been changed, making an entire new route, crossing the pike beyond "The Kettle" and running south of the pike several miles. A large force of men are now at work at this point. When completed there is no doubt the road will receive a good patronage, and the enterprise of the company certainly deserves substantial encouragement.

A GREAT DAY AT PATTON

—ON—

Nov. 8th, 1906,

When there Will be Sold at Public Auction

100 Beautiful Lawn Lots

IN THE CHAS. ANNA ADDITION

now named the Grand View Terrace Addition to the Borough of Patton.

These illustrations chosen at random demonstrate how readily good profits can be made in Patton property, owing to the steady, permanent character of its growth and the increasing scarcity of good lots. To the far sighted man or woman, looking for a gilt edge investment, or to the home-builder seeking a desirable residence site, it will appeal strongly.

Lying in the immediate pathway of the future expansion of the town, just north of Palmer avenue along the trolley line. Sufficiently undulating to secure perfect drainage, a commanding elevation environed with delightful landscape, within quick reach of the business centre of the town, and with water and electric light facilities immediately adjacent, ready for extension to purchasers of lots upon application.

Grand View Terrace addition, or better known as the Anna addition, is unquestionably the cream of available Patton residence property. This property was secured from Mr. Chas. Anna and the public is cordially invited to visit and inspect the arrangements of the streets, alleys and lots which have been made very attractive.

BAND CONCERT.

A brass band has been engaged and will discourse music for the entertainment of the audience. Public addresses will be made and the famous wit and auctioneer, A. W. Cummins, will conduct the sale. Ladies and all others interested are cordially invited to attend.

Of all the opportunities for a profitable investment that have been presented the people of the country in recent years, few, if any, equal the Patton plan of lots, right in the heart of the Bituminous Coal District.

This tract of land is in the centre of the great wage earning section where millions are spent annually. Only a few minutes' walk from the P. O. and business centre of the town.

A \$250 LOT GIVEN AWAY.

To all those in attendance at the sale a free opportunity will be extended to secure FREE a \$250 lot. The only condition is that each ticket holder be present in person on the grounds during the sale. A square deal is guaranteed.
