STOMACH'S IMPORTANCE.

How to Strengthen It so That It Will Act as it Should.

To enjoy both health and happiness, it is absolutely necessary that the stomach and digestive organs should be strong enough to properly digest the food. If they are weak and inactive, the body will soon be in a state of semi-starvation.

Nothing equals Mi-o-na stomach tablets in giving strength and tone to the whole digestive system. Use this remedy for a few days, and you will find the appetite keen, the digestion good, no nausea or distress after eating, no sleeplessness, no nervousness and the backaches and headaches that are the direct results of a weakened stomach, will soon be overcome.

Ask O. F. Wolf to show you the guarantee which he gives with every 50 cent box of Mi-o-na. It is the one remedy he has enough faith in to guarantee.
