Last Monday evening a farewell party was given in the rooms of Lodge No. 1089, Independent Order of Odd Fellows in honor of Mr. A. D. Lutz, who has accepted a position at Vandegrift, and Mr. Lester Veley, who will go to Jersey Shore. Attorney Reuel Somerville was in charge of the affair and conducted it in a very creditable manner. He also made a short address. Mr. Veley and Mr. Lutz were also called upon to speak and they responded with short addresses. After the meeting a smoker was held and refreshments were served.

On Tuesday evening the Patton Post Office Force took the Star Bowlers from the Clay Works over by a margin of 82 pins. The contest was a walk-away from the start to the finish. Rumberger starting off in the first game with a score of 150 pins, which was high score of the contest. Smale second with 141. The principal feature of the game was Jones making a spare and three successive strikes in the finish of the first game. As the science was all displayed by stamp hickers thus we made no mention of the skill of the Mud Workers Stars.

POSTOFFICE MEN WIN, DEFEAT FACULTY

Quite an interesting bowling match was staged at the Grand Pool Room last Wednesday evening when the four Government men defeated the Faculty of the Patton High School. The Postoffice men consisted of Rumberger, Jones, Smale and McCormick, while Bosserman, Burns, Bergey and Nathanson composed the High School Faculty.

The feature of the game was the erratic bowling of McCormick whose scores varied considerably. Another feature was the effective fast-breaking curve which Rumberger rolled. A second match will be staged in the very near future and it is expected to be more exciting than the first. Fortunately for some of the contestants the scores are not given.

Patton bowling squad invaded Hastings recently and fell before the attack of the latter duckpinists. The Hastings men grabbed off the first

Alpha Gamma Gamma Donated \$26.81 to High School Library

Last Monday morning when Prof. Bosserman arrived in his office he found an envelope lying on his desk containing \$26.81, with the following note enclosed: "Donated to the High School Library by the Alpha Gamma Gamma." We are certain the pupils and patrons of the Borough feel grateful to these girls for this philanthropic act. It means that they have donated about fifty good books to our library.

Might Charge Admission for Autos

We understand that the Northern Cambria Street Railway Co. have under consideration the idea of charging admission for automobile parties to Sunset Park during the coming summer. This seems to be in accordance with the custom elsewhere and is certainly not unreasonable. The park people have invested a large amount of money and have a very delightful summer resort which the public have enjoyed for some years without cost. Parties patronizing the road are welcome without charge. Automobile parties are affording no revenue to the railway company and have been enjoying the park privileges for their cars as well as the use of the park. We do not think a reasonable charge would be objected to by automobile parties.
