### SUFFRAGE ORGANIZATION HELD A RALLY MARCH 1ST

Mrs. Kiernan The Principal Speaker

Patton and all those people who are interested in the movement for the liberation of women, and granting them the ballot, had an opportunity to express their sentiments and the appreciation of good work that has been done, by being present at the meeting held in the Miners' Hall, Wednesday, March 1st.

A splendid program was arranged and the organization was fortunate in securing the services of Mrs. Kiernan, of Somerset, Pa., to address the audience.

Mr. Garfield Wilkins president and Mrs. V. A. Murray acted as secretary. After a few preliminary remarks the meeting was opened with a song by the audience.

The second number was a vocal solo by Mrs. Carrie Rogers of Spangler, Pa.

The third number was a song by the audience.

The fourth number was a vocal duet by Misses Meredith and Good of Barnesboro.

The fifth number was an address by Mrs. Kiernan.

Next followed a vocal solo by Burley Evans. Mr. Evans is a newcomer in Patton and is connected with the Central Supply Company. He has made himself popular by his activity in church and concert solo work.

No. 7—A vocal solo by Miss Meredith. Both Miss Meredith and Miss Good were the recipients of very hearty applause.

No. 8—Solo by Mrs. Carrie Rodgers. Mrs. Rodgers in the selection sang "Jerusalem" and the spirit that she put into the song, the personality of voice was appreciated by the loud and long clapping of her hearers.

No. 9—A violin solo by Richard Lilley whose ability is well known in Patton. Mr. Lilley was accompanied at the piano by Miss Mirian Lilley.

No. 10—(The closing number) the singing of "America" by the audience.

It would be interesting for everyone whether in favor or opposed to the movement to have heard the talk of Mrs. Kiernan. She opened her address with an explanation of the new amendment which would make Women Suffrage a national issue. Mrs. Kiernan congratulated the State of Pennsylvania on its near victory in the last election. She praised Cambria county and even more lauding Patton on the splendid returns here. She quoted that 53 per cent of the desired majority was obtained, likewise an increase of 55,000 votes. She explained the large cost and sacrifice that was made by some women and the large amount of money that was expended, nearly \$80,000 in all for election funds.

Mr. Wilkins prior to passing the basket for contributions made a play upon these statistics, and informed the audience that they were having the collection that they might meet the deficit of \$80,000.

Mrs. Kiernan in a scholarly way began showing analogous movements and the way they had been opposed by the majority of people. She showed how Galileo was imprisoned for his beliefs; how everyone was skeptical. Later in regard to the successful steamboat, how the invention of the telegraph was fought. She related a very funny story in regard to the railroad, and a popular belief that it was emissary of the event. Her story of the first cook stove was indeed discursive of a person whom it is hard to convince.

On the whole the meeting was a grand success, and shows the manifestation of the spirit of the people and the feeling of those who worked hard that the women might be granted the ballot. Considering the inclement weather conditions, the turn out of people was a credit to the organization and Mrs. Kiernan prophesied next year she has no doubt that the Women's Organization of Patton will increase in like numbers.

## The Tuxedo Hour by Walt Mason

Tuxedo's bully all the time; it makes the passing hours sublime, and by its soft and gracious curves it soothes the soul and rests the nerves, and fills my bosom, once again, with peace on earth, good will to men. But best I like it when I've fed this face of mine with jam and bread. When I have dined on Irish stew and beans and boiled potatoes, too, and pie and eggs and cheese and tripe, 'tis then I best enjoy my pipe. When from the table I withdraw, I grip my briar with my jaw, and fill it with Tuxedo mild—the pure Tuxedo undefiled—and smoke away in perfect bliss; no pleasure can compare with this. And in the curling smoke I see a world that seemeth good to me. A world that's debonair and gay, its woes and worries done away. The plans that seemed foredoomed to fail, the work that seemed of no avail, now wear the rosy glow of hope, and I endorse all sunshine dope. 'Tis thus in my Tuxedo hour; the world that seemed so dark and dour, is blooming like a rose of spring, and I'm in mood to laugh and sing.

### A PATTON INTERVIEW

Mrs. Cairns Tells Her Experience

The following brief account of an interview with a Patton woman six years ago, and its sequel, will be read with keen interest by every citizen. Mrs. J. Cairns, Terra Cotta Ave., Patton, says: "I had severe pains across the small of my back, especially after I did any washing or ironing. I suffered from dull, dizzy headaches nearly every day. I used different prescriptions, but couldn't find relief until I took Doan's Kidney Pills. They strengthened my back and relieved the headaches. I kept on using Doan's Kidney Pills until I was well and strong as ever."

MORE THAN SIX YEARS LATER, Mrs. Cairns said: "Doan's Kidney Pills have cured me and the cure has been permanent. I am pleased to tell all my friends about Doan's Kidney Pills."
