Attend the Meeting of the Proposed Board Of Trade

Next Tuesday evening at \$:15 o'clock a meeting will be called in the Grange National Bank Hall for the purpose of organizing a Board

We would like to see all merchan's there to discuss the proposed Board and to give their views both in favor of and those opposed to this progressive move. Now we will see whether this meeting wil he a complete failure or whether the spirit of the merchants is with the movement. Now let us try to organize and effect this Board of Trade and show the surrounding towns that this is also one of the real live towns of the county and in the course of a few months we will see the great change brought by this official board upon the general prosperity of the town and 'hen we will all rejoice alike and congratulate ourselves that we were instrumental in bringing this

Once again we repeat and reliterate that the merchants should have enough "backbone" in them to start this thing rolling and we confidently expect to see them at the meeting next Tuesday. Don't
