PATTON MAN MARRIED COALPORT GIRL

We copy from the Coalport Standard of August 3rd an account of the wedding of Mr. John Flynn, of this place and Miss Frances Harding, of Coalport.

A quiet wedding took place in St. Basil's Catholic church, Tuesday morning at 1:30 when Mr. John Flynn and Miss Frances Harding were united in marriage by the Rev. J. J. McKillen. The attendants were Mr. Paul Harding and Miss Elizabeth Harding, brother and sister of the bride. The ceremony was witnessed by only the immediate friends of the young people.

A wedding breakfast was served at the Harding home on Main street, after which Mr. and Mrs. Flynn left for a wedding tour to points in Western Pennsylvania and Ohio.

The bride is the eldest daughter of Mr. and Mrs. T. C. Harding, and is one of our most highly respected as well as most popular young ladies. She taught school for several years and later was clerk in the postoffice, giving this up to assist in Harding's store on Main street. Besides being an accomplished musician, she is endowed with all the qualifications for a splendid wife. The groom comes from Patton. He is popular with those who know him and has the reputation of being a gentleman in every respect.

"Upon their return from their wedding trip Mr. and Mrs. Flynn will be at home at their home in Patton, Penna.

"The Standard joins everyone in wishing the happy couple unalloyed happiness and prosperity through life."

HEALTH BACK AGAIN HAD SUFFERED FOR 10 YEARS

Kiefer Relieved of Serious Stomach Trouble, Due to Typhoid Fever

The Taniae is an unusual body invigorant and restorer of the ravages of diseases is indicated by the experience of A. A. Kiefer, a workman on the New York Central Railroad, who resides at 517 Cascade, St. Erie, Pa.

Mr. Kiefer has had a remarkable restoration to complete health, after ten years of illness. He said:

"I had typical fever ten years ago, which left my stomach in very bad condition. I had terribly severe spells periodically, when I could not keep anything I ate on my stomach.

"When I was having these spells I would be awakened from my sleep by terrible 'choking' spells and it seemed like my chest would burst and my heart would stop. I would be afraid I was going to die before daylight.

"I took all kinds of remedies, but they did me no good.

"Finally, I saw Taniae advertised. I bought a bottle. After the first few doses its effect on me was almost marvelous.

"My stomach trouble began to disappear my appetite improved, and I was able to eat a big meal and digest it.

"After I had taken three bottles, my health was remarkably improved. Now I can eat whatever I please, I sleep sound as a dollar all night long, and all the bad effects of the typhoid fever are gone."

Taniae is now sold in Patton exclusively by Cann Drug Co., where the premier preparation can now be had.

Mrs. S. L. Forney, Lyndwood Ave., Patton says: "I had kidney complaint with head, dull pains in my back. The pains often bothered me so much that I was awakened out of a sound sleep at night. I used Doan's Kidney Pills and soon got relief."

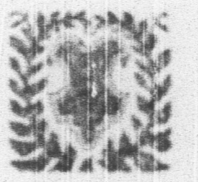

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Forney had. Foster-McMillan Co., Props., Buffalo, N. Y.

AUTO TRIP FOR FARMERS IS FARM BUREAU MAN'S TIP

This is the time of the year when vacations seem to be the order. A day's vacation would prove a welcome to the farmer, especially, for the work of harvest has kept him on the go day and night.

It has been suggested to the Extension Representative that an automobile excursion be made to State College to see the work of the Experiment station.

The inclement weather, at the time of the railroad excursion made it impossible to study the many interesting things at the college, so there may be a great many who like to make the trip overland by automobile.

The time by machine from Ebensburg would be about four hours and by making an early start it would be possible to spend the greater part of the day at the college.

The Extension Representative would like an expression from the farmers and business men of the county who are interested in making the trip.

The time of the excursion would probably be during the week beginning August 14th.

If there are any in the County desirous of making this trip, they should write to H. C. McWilliams, Extension Representative, and inform him of the fact so that he can make arrangements with the College authorities to explain the work of the station to all who may be with the party.

SCOTTISH PICNIC TOMORROW

INTERESTED IN TOUR

William Penn Highway boomers in this county are interested in the October tour which starts at Pittsburg, picks up "boosters" clear across Pennsylvania and ends in Philadelphia, with a big showing on Broad street. It is hoped to have Gov. Brumbaugh lead the tour. Many local car owners have written Secretary M. H. James at Harrisburg for information.

Doninger, Jr., and Rev. Bert A. Salter will be slated against John Dismore and J. B. O'Hara. On the other court Gop. L. W. Maurer and R. S. McGraw.
